On page 5, line 16 insert the following new section and renumber the subsequent sections accordingly.

SECTION 17. Section 387.003(b), Health and Safety Code, is amended to read as follows:

(b) Under the program, the Texas Council on Environmental Technology shall provide grants to be used to support development of emissions-reducing technologies that may be used for projects eligible for awards under Chapter 386 and other new technologies that show promise for commercialization. The primary objective of this chapter is to promote the development of commercialization technologies that will support projects that may be funded under Chapter 386 and this chapter, including advanced technologies such as fuel cells, catalysts, and fuel additives.
