

## **BILL ANALYSIS**

S.B. 433  
By: Wentworth  
Transportation  
Committee Report (Unamended)

### **BACKGROUND AND PURPOSE**

Currently, with exception of the statute for Dallas-Fort Worth Airport, Texas statutes do not specifically authorize the state, counties, or municipalities, jointly or independently, to form political subdivisions for the purpose of forming and managing airports and heliports. S.B. 433 authorizes the creation of airport districts by the state, counties, and municipalities to acquire and operate airports and heliports, and provides for financing the costs of such facilities.

### **RULEMAKING AUTHORITY**

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

### **ANALYSIS**
