AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently a local option election for the sale of alcoholic beverages can be called and held in either a county, a justice precinct, or a municipality. In 1976, the Town of Addison held a local option election at which the voters approved the sale of alcohol for off-premise and on-premise consumption. In 1982, the town conducted a charter amendment election, at which the voters approved an amendment to the charter which limits the sale of alcoholic beverages for off-premise consumption to a particular area of Addison. Therefore, the status of the sale of alcoholic beverages in Addison since 1982 has been that, with proper approval, alcohol for on-premise consumption can be sold in a restaurant where a restaurant is an allowed use, but alcohol for off-premise consumption can be sold only in the area designated in the town charter.

As proposed, S.B. 1735 clarifies that Addison's home-rule charter continues to control within the limits of the municipality, if a local option election is held in a justice precinct in which Addison is located.

RULEMAKING AUTHORITY

This bill does not expressly grant any additional rulemaking authority to a state officer, institution, or agency.

Provides that a charter restriction described by Subsection (a) is in all respects validated.
