

Amend CSHB 7 on page 21, line 9, by adding the following immediately after the period:

Rules adopted under this section must provide that:

(1) an electric customer eligible for the reduced rates determined under Subsection (j) is also eligible for reduced rates for telecommunications services offered for low-income customers; and

(2) a customer eligible for reduced rates for telecommunications services offered for low-income customers is also eligible for the reduced rates established under Subsection (j).
