19 efficiency of the university, the board shall provide for the
20 organization, administration, location, and name of the university
21 and of the colleges, schools, and other institutions and entities

6 university.

7 (c) A department, school, or degree program may not be

2 higher education "created at a later date" for purposes of Section
3 18(c), Article VII, Texas Constitution. If the Act enacting this
4 chapter receives a vote of two-thirds of the membership of each
5 house of the legislature, when established the university is
6 entitled to participate in the funding provided by Section 18,
7 Article VII, Texas Constitution, to the same extent as similar
8 component institutions of The University of Texas System.

9 Sec. 79.09. CENTER FOR BORDER ECONOMIC AND ENTERPRISE
10 DEVELOPMENT. (a) The board shall establish a center for border

5 Texas at El Paso, and other institutions of higher education.

6 Sec. 79.10. TEXAS ACADEMY OF MATHEMATICS AND SCIENCE.

7 (a) The board shall establish The Texas Academy of Mathematics and
8 Science at the university. The academy serves the following
9 purposes:

10 (1) to provide academically gifted and highly
11 motivated junior and senior high school students with a challenging
12 university-level curriculum that:

13 (A) allows students to complete high school
14 graduation requirements, including requirements adopted under
15 Section 28.025 for the advanced high school program, while
16 attending for academic credit a public institution of higher
17 education;

18 (B) fosters students' knowledge of real-world
19 mathematics and science issues and applications and teaches
20 students to apply critical thinking and problem-solving skills to
21 those issues;

22 (C) includes the study of English, foreign
23 languages, social studies, mathematics, science, and technology;
24 and

25 (D) offers students learning opportunities
26 related to mathematics and science through in-depth research and
27 field-based studies;

1 (2) to provide students with an awareness of
2 mathematics and science careers and professional development
3 opportunities through any appropriate means such as:

4 (A) seminars;

5 (B) workshops;

6 (C) collaboration with postsecondary and
7 university students, including opportunities for summer studies;
8 and

9 (D) internships in foreign countries; and

10 (3) to provide students with social development
11 activities that enrich the academic curriculum and student life,
12 including, as determined appropriate by the academy, University
13 Interscholastic League activities and other extracurricular
14 activities.

15 (b) The academy is a coeducational program for selected
16 Texas high school students with an interest in and the potential to
17 excel in mathematics and science studies. The academy shall admit
18 only high school juniors and seniors, except that the academy may
19 admit a student with exceptional abilities who is not yet a high
20 school junior. The board shall set aside adequate space at the new
21 university to operate the academy and implement the purposes of
22 this section. The academy must operate on the same fall and spring
23 semester basis as the university. Full-time students of the
24 academy must enroll for both the fall and spring semesters. Faculty
25 members of the university shall teach all academic classes at the
26 academy. A student of the academy may attend a college course
27 offered by the university and receive college credit for that

1 course.

2 (c) The university administration has the same powers and
3 duties with respect to the academy that the administration has with
4 respect to the university. The board, in consultation with
5 university administration, shall:

6 (1) establish an internal management system for the
7 academy and appoint an academy principal, who serves at the will of
8 the board and reports to the vice president for academic affairs;

9 (2) provide for one or more academy counselors;

10 (3) establish for the academy a site-based
11 decision-making process similar to the process required by
12 Subchapter F, Chapter 11, that provides for the participation of
13 academy faculty, parents of academy students, and other members of
14 the community; and

15 (4) establish an admissions process for the academy.

16 (d) The student-teacher ratio in all regular academic
17 classes at the academy may not exceed 30 students for each classroom
18 teacher, except that the student-teacher ratio may exceed that
19 limit:

20 (1) in a program provided for the purposes prescribed
21 by Subsection (a)(2) or another special enrichment course or in a
22 physical education course;

23 (2) if the board determines that a class with a higher
24 student-teacher ratio would contribute to the educational
25 development of the students in the class; or

26 (3) if an academy class is combined with a university
27 class with more than 30 students.

1 (e) The academy shall provide the university-level
2 curriculum in a manner that is appropriate for the social,
3 psychological, emotional, and physical development of high school
4 juniors and seniors. The administrative and counseling personnel
5 of the academy shall provide continuous support to and supervision
6 of students.

7 (f) For each student enrolled in the academy, the academy is
8 entitled to allotments from the foundation school fund under
9 Chapter 42 as if the academy were a school district without a tier
10 one local share for purposes of Section 42.253. If in any academic
11 year the amount of the allotments under this subsection exceeds the
12 amount of state funds paid to the academy in the first fiscal year
13 of the academy's operation, the commissioner of education shall set
14 aside from the total amount of funds to which school districts are
15 entitled under Section 42.253(c) an amount equal to the excess
16 amount and shall distribute that amount to the academy. After
17 deducting the amount set aside and paid to the academy by the
18 commissioner of education under this subsection, the commissioner
19 of education shall reduce the amount to which each district is
20 entitled under Section 42.253(c) in the manner described by Section
21 42.253(h). A determination of the commissioner of education under
22 this subsection is final and may not be appealed.

23 (g) The board may use any available money, enter into
24 contracts, and accept grants, including matching grants, federal
25 grants, and grants from a corporation or other private contributor,
26 in establishing and operating the academy. Money spent by the
27 academy must further the purposes of the academy under Subsection

1 (a).

2 (h) The liability of this state under Chapters 101 and 104,
3 Civil Practice and Remedies Code, is limited for the academy and
4 employees assigned to the academy and acting on behalf of the
5 academy to the same extent that the liability of a school district
6 and an employee of the school district is limited under Sections
7 22.0511, 22.0512, and 22.052 of this code and Section 101.051,
8 Civil Practice and Remedies Code. An employee assigned to the
9 academy is entitled to representation by the attorney general in a
10 civil suit based on an action or omission of the employee in the
11 course of the employee's employment, to limits on liability, and to
12 indemnity under Chapters 104 and 108, Civil Practice and Remedies
13 Code.

14 (i) Except as otherwise provided by this section, the
15 academy is not subject to the provisions of this code or to the
16 rules of the Texas Education Agency regulating public schools.

17 SECTION 2. CONFORMING AMENDMENT. Section 74.751(a),
18 Education Code, is amended to read as follows:

19 (a) The board of regents of The University of Texas System
20 may operate The University of Texas Health Science Center--South
21 Texas as provided by Section 79.02 [~~a component institution of The~~

23 offices to be determined as described by that section [~~in Cameron~~
24 ~~County~~]. The health science center shall [~~may~~] consist of a medical
25 school, as provided by Section 74.752, other health and

2 UNIVERSITY OF TEXAS AT BROWNSVILLE ABOLISHED. (a) The University
3 of Texas--Pan American and The University of Texas at Brownsville
4 are abolished on a date the Board of Regents of The University of

7 entered into the minutes of the board. The board shall take all
8 actions necessary to provide for an orderly windup of the affairs of
9 each university.

10 (b) The board shall provide to the secretary of state
11 written notice of its action under Subsection (a) of this section.
12 Effective on the date the board designates for the abolition of the
13 institutions described by Subsection (a) of this section, Chapters
14 77 and 78, Education Code, are repealed.

15 (c) The board may not act under Subsection (a) of this
16 section to abolish The University of Texas--Pan American and The
17 University of Texas at Brownsville earlier than the date on which
18 the university created under Chapter 79, Education Code, as added
19 by this Act, begins operation.

20 SECTION 4. UNIVERSITY CREATED. (a) The university
21 described by Chapter 79, Education Code, as added by this Act, is
22 created within The University of Texas System. As provided by that
23 chapter, the board of regents of the system shall name the
24 university and establish the university as a general academic
25 teaching institution offering the degrees authorized by that
26 chapter.

27 (b) The university shall begin operating on a date the board

1 of regents determines appropriate to achieve the maximum operating
2 efficiency of the system. The designated date must be entered into
3 the minutes of the board.

4 (c) In recognition of the abolition of The University of
5 Texas--Pan American and The University of Texas at Brownsville as
6 authorized by this Act, the board of regents shall facilitate the
7 employment at the university created by this Act of as many faculty
8 and staff of the abolished universities as is prudent and
9 practical.

10 (d) A student admitted to or enrolled at The University of
11 Texas--Pan American or The University of Texas at Brownsville on
12 the date of abolition is entitled to admission to the university
13 created by this Act, and the board shall take actions necessary to
14 facilitate that admission and the appropriate transfer of credits.

15 (e) Until such time as the university created by this Act
16 formally begins operation, the board of regents may provide for The
17 University of Texas--Pan American or The University of Texas at
18 Brownsville to use any facilities under the management and control
19 of The University of Texas System, including facilities developed
20 for the university created by this Act. In addition, the board may
21 lease or purchase facilities owned by Texas Southmost College
22 District or by other owners to the extent the board determines
23 necessary and practical.

24 (f) This Act does not affect the powers, duties, and
25 obligations of The University of Texas at Brownsville and the Texas
26 Southmost College District under Section 5, Chapter 935
27 (S.B. 1909), Acts of the 82nd Legislature, Regular Session, 2011.

1 As provided by that law, that university and the district shall
2 continue a partnership agreement in effect until August 31, 2015,
3 to the extent necessary to ensure accreditation.

4 SECTION 5. ADVISORY GROUP TO BOARD OF REGENTS. (a) To
5 assist the system in designing, organizing, and implementing a
6 medical school to serve the Rio Grande Valley as a component of the
7 new university, the Board of Regents of The University of Texas
8 System shall appoint a temporary advisory group to give the board
9 counsel and recommendations regarding:

10 (1) the design and development of the medical school,
11 with the goal of preparing future physicians for medical careers
12 through an innovative model of medical education for the 21st
13 century; and

14 (2) the best locations for medical school
15 administration and operations, identifying the best chance for
16 success of the medical school and its administrative offices based
17 on resources, costs, assets, infrastructure, long-term fiscal
18 viability, and other objective criteria.

19 (b) The board shall determine the size and membership of the
20 advisory group, but the group must be composed of nationally
21 recognized experts in the organization and administration of
22 medical schools and other health-related programs and of
23 institutions of higher education.

24 (c) The advisory group shall solicit input from interested
25 parties, including representatives of business organizations,
26 health care providers, and educators, as determined by the board
27 and the advisory group.

1 (d) The board shall base its determinations regarding the
2 matters described by Subsections (a)(1) and (2) of this section on
3 the findings and recommendations of the advisory group.

4 (e) The board shall dissolve the advisory group when the
5 group has reported to the board and the board determines that the
6 purposes of the group under this section have been achieved.

7 SECTION 6. EFFECTIVE DATE. This Act takes effect
8 immediately if it receives a vote of two-thirds of all the members
9 elected to each house, as provided by Section 39, Article III, Texas
10 Constitution. If this Act does not receive the vote necessary for
11 immediate effect, this Act takes effect September 1, 2013.
