House Committee on Insurance

9/9/2014

The chair laid out Interim Charge 4: Examine opportunities to improve the resiliency of the Texas coast to withstand tropical storms. Study strategies to incentivize and encourage hazard mitigation, and consider the current state of building codes and how they might more effectively protect property and reduce losses. Examine the proper role of insurance in protecting the Texas coast. Coordinate as necessary with the joint interim committee created by HB 3459 (83R).
(Joint charge with the House Committee on Land and Resource Management)

Testimony taken/registration recorded. (See attached witness list.)

At 1:10 p.m., on the motion of the chair and without objection, the meeting was adjourned subject to the call of the chair.
