**Monday  
March 30, 2015**

**SJR 1 (CS)                      Nelson/ Bettencourt/ Birdwell/  
Burton/ Campbell/ et al.**

Proposing a constitutional amendment providing for an exemption from ad valorem taxation for public school purposes of a portion of the market value of a residence homestead based on the median market value of all residence homesteads in the state, providing for a reduction of the limitation on the total amount of ad valorem taxes that may be imposed for those purposes on the homestead of an elderly or disabled person to reflect the increased exemption amount, providing that an appropriation of state tax revenues to protect school districts against the resulting revenue loss is an appropriation of state tax revenues dedicated by the constitution for purposes of the restriction on the rate of growth of appropriations from undedicated state tax revenues, authorizing the legislature to prohibit a political subdivision that has adopted an optional residence homestead exemption from reducing the amount of or repealing the exemption, and prohibiting the imposition or collection of a tax on the conveyance of an interest in real property.
