Austin, Texas

FISCAL NOTE, 84TH LEGISLATIVE REGULAR SESSION

May 27, 2015

TO: Honorable Joe Straus, Speaker of the House, House of Representatives

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB4025 by Keffer (Relating to funding to counties for transportation infrastructure projects located in areas of the state affected by increased oil and gas production, including money from county energy transportation reinvestment zones.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would amend Subchapter C, Chapter 256, of the Transportation Code, relating to the Transportation Infrastructure Fund (TIF), to change the formula by which the grants from the TIF are allocated among counties.

Based on the information provided by the Texas Department of Transportation, it is assumed any duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.

Local Government Impact

There could be a revenue loss to counties no longer eligible for grants under the provisions of the bill and a corresponding gain to other eligible counties.

Costs associated with the application requirements of the bill are not anticipated to be significant.
