

BILL ANALYSIS

H.B. 4312
By: Isaac
Special Purpose Districts
Committee Report (Unamended)

BACKGROUND AND PURPOSE

Interested parties contend that continuing development and growth in Central Texas, including Hays County, has created the need to update the law relating to the LaSalle Municipal Utility District No. 3. H.B. 4312 seeks to provide those updates.

CRIMINAL JUSTICE IMPACT

It is the committee's opinion that this bill does not expressly create a criminal offense, increase the punishment for an existing criminal offense or category of offenses, or change the eligibility of a person for community supervision, parole, or mandatory supervision.

RULEMAKING AUTHORITY

It is the committee's opinion that this bill does not expressly grant any additional rulemaking authority to a state officer, department, agency, or institution.

ANALYSIS

H.B. 4312 amends the Special District Local Laws Code to remove provisions that provide for the appointment of temporary directors of the LaSalle Municipal Utility District No. 3 by petition of applicable property owners of the district. The bill instead names the temporary directors and revises the terms of the temporary directors.

H.B. 4312 authorizes the district's board of directors to finance the construction or maintenance of a recreational facility or improvement with assessments on property only if a written petition requesting that facility or improvement has been filed with the board and the board holds a hearing on the proposed assessments. The bill sets out related provisions, including provisions relating to miscellaneous design, construction, and maintenance; method of notice for the hearing; liens for assessments; and utility property exempt from assessments.

H.B. 4312 amends Chapter 627, Acts of the 83rd Legislature, Regular Session, 2013, to revise the district's initial territory.

H.B. 4312 provides for the validation, ratification, and confirmation of certain district actions taken before the bill's effective date.

EFFECTIVE DATE

On passage, or, if the bill does not receive the necessary vote, September 1, 2017.
