IN RE: **HB1457** by Raymond (Relating to fantasy sports contests.), **Committee Report 1st House, Substituted**

The bill would add Chapter 2053 to the Occupations Code, regarding fantasy sports contests, which would allow individuals to operate certain fantasy sports contests and to award prizes. The bill would allow individuals to pay an entrance fee to compete in fantasy sports contests. Prizes could not be awarded based on the score, point spread, performance of any team(s), or based solely on the single performance of an individual athlete. Fantasy contest operators would be prohibited from awarding prizes in contests based on live pari-mutuel racing under the Texas Racing Act.

The Attorney General could pursue an injunction against individuals in violation of or threatening to be in violation of this chapter, and to recover reasonable expenses incurred in this effort.

The bill would make conforming changes to the Penal Code.

The bill would take effect immediately upon enactment, assuming it received the requisite two-thirds majority votes in both houses of the Legislature. Otherwise, it would take effect September 1, 2017.
