Austin, Texas**

FISCAL NOTE, 85TH LEGISLATIVE REGULAR SESSION

May 11, 2017

TO: Honorable Charles Perry, Chair, Senate Committee on Agriculture, Water & Rural Affairs

FROM: Ursula Parks, Director, Legislative Budget Board

IN RE: HB2334 by Oliverson (Relating to the imposition of a criminal penalty for the violation of a rule adopted or order issued under the Flood Control and Insurance Act in certain counties.), **As Engrossed**

No fiscal implication to the State is anticipated.

The bill would amend the Water Code adding that a person, in certain counties, commits an offense if the person violates a rule adopted or order issued under the subchapter. The offense would be punishable as a Class C misdemeanor.

The bill would take effect September 1, 2017.

Local Government Impact

A Class C misdemeanor is punishable by a fine of not more than \$500. Costs associated with enforcement and prosecution could likely be absorbed within existing resources. Revenue gain from fines imposed and collected is not anticipated to have a significant fiscal impact. In addition to the fine, punishment can include up to 180 days of deferred disposition.
