H.B. No. 2330

A BILL TO BE ENTITLED

1 AN ACT
2 relating to a study of an intake system and state case management
3 system for state and federal disaster assistance.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. (a) In this section:

6 (1) "Commission" means the Health and Human Services
7 Commission.

8 (2) "Division" means the Texas Division of Emergency
9 Management.

10 (b) The commission and the division shall conduct a study to
11 determine the feasibility of developing:

12 (1) a single intake form that would compile all
13 information needed to obtain disaster assistance from multiple
14 state and federal programs for an individual who needs assistance
15 as a result of a disaster;

16 (2) an automated intake system for collecting the
17 information; and

18 (3) a state case management system for disaster
19 assistance, administered by the commission, that is similar to the
20 Federal Emergency Management Agency case management system and
21 includes contracting with nonprofit vendors to hire caseworkers and
22 provide case management services.

23 (c) The commission and the division shall coordinate with
24 the Federal Emergency Management Agency and other appropriate state

1 and federal agencies to conduct the study under Subsection (b) of
2 this section. The commission and the division must determine:

3 (1) whether the Federal Emergency Management Agency
4 and other appropriate state and federal agencies will accept the
5 single intake form;

6 (2) the cost of developing the single intake form and
7 the cost of developing and maintaining the automated intake system;
8 and

9 (3) the cost of developing and maintaining a state
10 case management system and the extent to which federal
11 reimbursement is available.

12 (d) Not later than September 1, 2020, the commission and the
13 division shall prepare and submit a written report to the
14 legislature containing the findings of the study conducted under
15 Subsection (b) of this section and any recommendations to the
16 legislature.

17 (e) The commission and the division may implement the single
18 intake form, automated intake system, and state case management
19 system if the commission and the division determine, based on the
20 study conducted under Subsection (b) of this section, that doing so
21 will result in no additional cost to the state.

22 SECTION 2. This Act expires January 1, 2021.

23 SECTION 3. This Act takes effect immediately if it receives
24 a vote of two-thirds of all the members elected to each house, as
25 provided by Section 39, Article III, Texas Constitution. If this
26 Act does not receive the vote necessary for immediate effect, this
27 Act takes effect September 1, 2019.
