2-31 (b) The local provider participation fund consists of:

2-32 (1) all revenue received by the district attributable
2-33 to mandatory payments authorized under this chapter;

2-34 (2) money received from the Health and Human Services

2-39 (c) Money deposited to the local provider participation
2-40 fund of the district may be used only to:

2-41 (1) fund intergovernmental transfers from the
2-42 district to the state to provide the nonfederal share of:

2-43 (A) any payment to nonpublic hospitals, if those
2-44 payments are authorized under the Texas Healthcare Transformation

2-46 the federal Social Security Act (42 U.S.C. Section 1315); or

2-69 (B) determines cannot be used to fund the

3-1 nonfederal share of Medicaid supplemental payment program
 3-2 payments; and

3-3 (5) transfer funds to the Health and Human Services
 3-4 Commission if the district is legally required to transfer the
 3-5 funds to address a disallowance of federal matching funds with
 3-6 respect to programs for which the district made intergovernmental
 3-7 transfers described by Subdivision (1).

3-8 (d) Money in the local provider participation fund may not
 3-9 be commingled with other district funds.

3-10 (e) Notwithstanding any other provision of this chapter,
 3-11 with respect to an intergovernmental transfer of funds described by
 3-12 Subsection (c)(1) made by the district, any funds received by the
 3-13 state, district, or other entity as a result of the transfer may not
 3-14 be used by the state, district, or any other entity to expand
 3-15 Medicaid eligibility under the Patient Protection and Affordable
 3-16 Care Act (Pub. L. No. 111-148) as amended by the Health Care and
 3-17 Education Reconciliation Act of 2010 (Pub. L. No. 111-152).

3-18 SUBCHAPTER D. MANDATORY PAYMENTS

3-19 Sec. 298G.151. MANDATORY PAYMENTS BASED ON PAYING PROVIDER
 3-20 NET PATIENT REVENUE. (a) If the board authorizes a health care
 3-21 provider participation program under this chapter, the board may
 3-22 require a mandatory payment to be assessed, either annually or
 3-23 periodically throughout the year at the discretion of the board, on
 3-24 the net patient revenue of each institutional health care provider
 3-25 located in the district. The board shall provide an institutional
 3-26 health care provider written notice of each assessment under this
 3-27 subsection, and the provider has 30 calendar days following the
 3-28 date of receipt of the notice to make the assessed mandatory
 3-29 payment. In the first year in which the mandatory payment is
 3-30 required, the mandatory payment is assessed on the net patient
 3-31 revenue of an institutional health care provider, as determined by
 3-32 the provider's Medicare cost report submitted for the previous
 3-33 fiscal year or for the closest subsequent fiscal year for which the
 3-34 provider submitted the Medicare cost report. If the mandatory
 3-35 payment is required, the district shall update the amount of the
 3-36 mandatory payment on an annual basis.

3-37 (b) The amount of a mandatory payment authorized under this
 3-38 chapter must be uniformly proportionate with the amount of net
 3-39 patient revenue generated by each paying provider in the district
 3-40 as permitted under federal law. A health care provider
 3-41 participation program authorized under this chapter may not hold
 3-42 harmless any paying provider, as required under 42 U.S.C. Section
 3-43 1396b(w).

3-44 (c) If the board requires a mandatory payment authorized
 3-45 under this chapter, the board shall set the amount of the mandatory
 3-46 payment, subject to the limitations of this chapter. The aggregate
 3-47 amount of the mandatory payments required of all paying providers
 3-48 in the district may not exceed six percent of the aggregate net
 3-49 patient revenue from hospital services provided by all paying
 3-50 providers in the district.

3-51 (d) Subject to Subsection (c), if the board requires a
 3-52 mandatory payment authorized under this chapter, the board shall
 3-53 set the mandatory payments in amounts that in the aggregate will
 3-54 generate sufficient revenue to cover the administrative expenses of
 3-55 the district for activities under this chapter and to fund an
 3-56 intergovernmental transfer described by Section 298G.103(c)(1).
 3-57 The annual amount of revenue from mandatory payments that shall be
 3-58 paid for administrative expenses by the district is \$150,000, plus
 3-59 the cost of collateralization of deposits, regardless of actual
 3-60 expenses.

3-61 (e) A paying provider may not add a mandatory payment
 3-62 required under this section as a surcharge to a patient.

3-63 (f) A mandatory payment assessed under this chapter is not a
 3-64 tax for hospital purposes for purposes of Section 4, Article IX,
 3-65 Texas Constitution, or Section 281.045 of this code.

3-66 Sec. 298G.152. ASSESSMENT AND COLLECTION OF MANDATORY
 3-67 PAYMENTS. (a) The district may designate an official of the
 3-68 district or contract with another person to assess and collect the
 3-69 mandatory payments authorized under this chapter.

4-1 (b) The person charged by the district with the assessment
4-2 and collection of mandatory payments shall charge and deduct from
4-3 the mandatory payments collected for the district a collection fee
4-4 in an amount not to exceed the person's usual and customary charges
4-5 for like services.

4-6 (c) If the person charged with the assessment and collection
4-7 of mandatory payments is an official of the district, any revenue
4-8 from a collection fee charged under Subsection (b) shall be
4-9 deposited in the district general fund and, if appropriate, shall
4-10 be reported as fees of the district.

4-11 Sec. 298G.153. PURPOSE; CORRECTION OF INVALID PROVISION OR
4-12 PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this
4-13 chapter is to authorize the district to establish a program to
4-14 enable the district to collect mandatory payments from
4-15 institutional health care providers to fund the nonfederal share of
4-16 a Medicaid supplemental payment program or the Medicaid managed
4-17 care rate enhancements for nonpublic hospitals to support the
4-18 provision of health care by institutional health care providers to
4-19 district residents in need of health care.

4-20 (b) This chapter does not authorize the district to collect
4-21 mandatory payments for the purpose of raising general revenue or
4-22 any amount in excess of the amount reasonably necessary to:

4-23 (1) fund the nonfederal share of a Medicaid
4-24 supplemental payment program or Medicaid managed care rate
4-25 enhancements for nonpublic hospitals; and

4-26 (2) cover the administrative expenses of the district
4-27 associated with activities under this chapter and other uses of the
4-28 fund described by Section 298G.103(c).

4-29 (c) To the extent any provision or procedure under this
4-30 chapter causes a mandatory payment authorized under this chapter to
4-31 be ineligible for federal matching funds, the board may provide by
4-32 rule for an alternative provision or procedure that conforms to the
4-33 requirements of the federal Centers for Medicare and Medicaid
4-34 Services. A rule adopted under this section may not create, impose,
4-35 or materially expand the legal or financial liability or
4-36 responsibility of the district or an institutional health care
4-37 provider in the district beyond the provisions of this chapter.
4-38 This section does not require the board to adopt a rule.

4-39 (d) The district may only assess and collect a mandatory
4-40 payment authorized under this chapter if a waiver program, uniform
4-41 rate enhancement, reimbursement, or managed care pass-through
4-42 payment described by Section 298G.103(c)(1) is available to the
4-43 district.

4-44 SECTION 2. As soon as practicable after the expiration of
4-45 the authority of the El Paso County Hospital District to administer
4-46 and operate a health care provider participation program under
4-47 Chapter 298G, Health and Safety Code, as added by this Act, the
4-48 board of hospital managers of the El Paso County Hospital District
4-49 shall transfer to each institutional health care provider in the
4-50 district that provider's proportionate share of any remaining funds
4-51 in any local provider participation fund created by the district
4-52 under Section 298G.103, Health and Safety Code, as added by this
4-53 Act.

4-54 SECTION 3. If before implementing any provision of this Act
4-55 a state agency determines that a waiver or authorization from a
4-56 federal agency is necessary for implementation of that provision,
4-57 the agency affected by the provision shall request the waiver or
4-58 authorization and may delay implementing that provision until the
4-59 waiver or authorization is granted.

4-60 SECTION 4. This Act takes effect immediately if it receives
4-61 a vote of two-thirds of all the members elected to each house, as
4-62 provided by Section 39, Article III, Texas Constitution. If this
4-63 Act does not receive the vote necessary for immediate effect, this
4-64 Act takes effect September 1, 2019.
