 2-12 from those payments is to be spent.

 2-29 mandatory payment authorized under this chapter, the district shall
 2-30 create a local provider participation fund.

2-31 (b) The local provider participation fund consists of:

 2-33 to mandatory payments authorized under this chapter;

2-34 (2) money received from the Health and Human Services

2-39 (c) Money deposited to the local provider participation
 2-40 fund of the district may be used only to:

 2-42 district to the state to provide the nonfederal share of Medicaid
 2-43 payments for:

2-44 (A) uncompensated care payments to nonpublic
 2-45 hospitals, if those payments are authorized under the Texas

 2-62 a paying provider;

2-63 (4) refund to paying providers a proportionate share
 2-64 of the money attributable to mandatory payments collected under
 2-65 this chapter that the district:

2-66 (A) receives from the Health and Human Services
 2-67 Commission that is not used to fund the nonfederal share of Medicaid
 2-68 supplemental payment program payments; or

2-69 (B) determines cannot be used to fund the

3-1 nonfederal share of Medicaid supplemental payment program
 3-2 payments; and

3-3 (5) transfer funds to the Health and Human Services

 3-5 funds to address a disallowance of federal matching funds with
 3-6 respect to programs for which the district made intergovernmental
 3-7 transfers described by Subdivision (1).

3-8 (d) Money in the local provider participation fund may not
 3-9 be commingled with other district funds.

3-10 (e) Notwithstanding any other provision of this chapter,
 3-11 with respect to an intergovernmental transfer of funds described by
 3-12 Subsection (c)(1) made by the district, any funds received by the
 3-13 state, district, or other entity as a result of the transfer may not
 3-14 be used by the state, district, or any other entity to:

3-15 (1) expand Medicaid eligibility under the Patient
 3-16 Protection and Affordable Care Act (Pub. L. No. 111-148) as amended
 3-17 by the Health Care and Education Reconciliation Act of 2010 (Pub. L.
 3-18 No. 111-152); or

3-19 (2) fund the nonfederal share of payments to nonpublic
 3-20 hospitals available through the Medicaid disproportionate share
 3-21 hospital program or the delivery system reform incentive payment
 3-22 program.

SUBCHAPTER D. MANDATORY PAYMENTS

3-24 Sec. 299.151. MANDATORY PAYMENTS BASED ON PAYING PROVIDER
 3-25 NET PATIENT REVENUE. (a) If the board authorizes a health care
 3-26 provider participation program under this chapter, the board may
 3-27 require a mandatory payment to be assessed, either annually or
 3-28 periodically throughout the year at the discretion of the board, on
 3-29 the net patient revenue of each institutional health care provider
 3-30 located in the district. The board shall provide an institutional
 3-31 health care provider written notice of each assessment under this
 3-32 subsection, and the provider has 30 calendar days following the
 3-33 date of receipt of the notice to pay the assessment. In the first
 3-34 year in which the mandatory payment is required, the mandatory
 3-35 payment is assessed on the net patient revenue of an institutional
 3-36 health care provider, as determined by the provider's Medicare cost
 3-37 report submitted for the previous fiscal year or for the closest
 3-38 subsequent fiscal year for which the provider submitted the
 3-39 Medicare cost report. If the mandatory payment is required, the
 3-40 district shall update the amount of the mandatory payment on an
 3-41 annual basis and may update the amount on a more frequent basis.

3-42 (b) The amount of a mandatory payment authorized under this
 3-43 chapter must be uniformly proportionate with the amount of net
 3-44 patient revenue generated by each paying provider in the district
 3-45 as permitted under federal law. A health care provider
 3-46 participation program authorized under this chapter may not hold
 3-47 harmless any institutional health care provider, as required under
 3-48 42 U.S.C. Section 1396b(w).

3-49 (c) If the board requires a mandatory payment authorized
 3-50 under this chapter, the board shall set the amount of the mandatory
 3-51 payment, subject to the limitations of this chapter. The aggregate
 3-52 amount of the mandatory payments required of all paying providers
 3-53 in the district may not exceed four percent of the aggregate net
 3-54 patient revenue from hospital services provided by all paying
 3-55 providers in the district.

3-56 (d) Subject to Subsection (c), if the board requires a
 3-57 mandatory payment authorized under this chapter, the board shall
 3-58 set the mandatory payments in amounts that in the aggregate will
 3-59 generate sufficient revenue to cover the administrative expenses of
 3-60 the district for activities under this chapter and to fund an
 3-61 intergovernmental transfer described by Section 299.103(c)(1).
 3-62 The annual amount of revenue from mandatory payments used for
 3-63 administrative expenses by the district for activities under this
 3-64 chapter is \$600,000, plus the cost of collateralization of
 3-65 deposits, regardless of actual expenses.

3-66 (e) A paying provider may not add a mandatory payment
 3-67 required under this section as a surcharge to a patient.

3-68 (f) A mandatory payment assessed under this chapter is not a
 3-69 tax for hospital purposes for purposes of Section 4, Article IX,

4-1 Texas Constitution, or Section 281.045.

4-2 Sec. 299.152. ASSESSMENT AND COLLECTION OF MANDATORY
 4-3 PAYMENTS. (a) The district may designate an official of the
 4-4 district or contract with another person to assess and collect the
 4-5 mandatory payments authorized under this chapter.

4-6 (b) The person charged by the district with the assessment
 4-7 and collection of mandatory payments shall charge and deduct from
 4-8 the mandatory payments collected for the district a collection fee
 4-9 in an amount not to exceed the person's usual and customary charges
 4-10 for like services.

4-11 (c) If the person charged with the assessment and collection
 4-12 of mandatory payments is an official of the district, any revenue
 4-13 from a collection fee charged under Subsection (b) shall be
 4-14 deposited in the district general fund and, if appropriate, shall
 4-15 be reported as fees of the district.

4-16 Sec. 299.153. PURPOSE; CORRECTION OF INVALID PROVISION OR
 4-17 PROCEDURE; LIMITATION OF AUTHORITY. (a) The purpose of this
 4-18 chapter is to authorize the district to establish a program to
 4-19 enable the district to collect mandatory payments from
 4-20 institutional health care providers to fund the nonfederal share of
 4-21 a Medicaid supplemental payment program or the Medicaid managed
 4-22 care rate enhancements for nonpublic hospitals to support the
 4-23 provision of health care by institutional health care providers to
 4-24 district residents in need of health care.

4-25 (b) This chapter does not authorize the district to collect
 4-26 mandatory payments for the purpose of raising general revenue or
 4-27 any amount in excess of the amount reasonably necessary to:

4-28 (1) fund the nonfederal share of a Medicaid
 4-29 supplemental payment program or Medicaid managed care rate
 4-30 enhancements for nonpublic hospitals; and

4-31 (2) cover the administrative expenses of the district
 4-32 associated with activities under this chapter and other uses of the
 4-33 fund described by Section 299.103(c).

4-34 (c) To the extent any provision or procedure under this
 4-35 chapter causes a mandatory payment authorized under this chapter to
 4-36 be ineligible for federal matching funds, the board may provide by
 4-37 rule for an alternative provision or procedure that conforms to the
 4-38 requirements of the federal Centers for Medicare and Medicaid
 4-39 Services. A rule adopted under this section may not create, impose,
 4-40 or materially expand the legal or financial liability or
 4-41 responsibility of the district or an institutional health care
 4-42 provider in the district beyond the provisions of this chapter.
 4-43 This section does not require the board to adopt a rule.

4-44 (d) The district may only assess and collect a mandatory
 4-45 payment authorized under this chapter if a waiver program, uniform
 4-46 rate enhancement, or reimbursement described by Section
 4-47 299.103(c)(1) is available to the district.

4-48 SECTION 2. As soon as practicable after the expiration of
 4-49 the authority of the Harris County Hospital District to administer
 4-50 and operate a health care provider participation program under
 4-51 Chapter 299, Health and Safety Code, as added by this Act, the board
 4-52 of hospital managers of the Harris County Hospital District shall
 4-53 transfer to each institutional health care provider in the district
 4-54 that provider's proportionate share of any remaining funds in any
 4-55 local provider participation fund created by the district under
 4-56 Section 299.103, Health and Safety Code, as added by this Act.

4-57 SECTION 3. If before implementing any provision of this Act
 4-58 a state agency determines that a waiver or authorization from a
 4-59 federal agency is necessary for implementation of that provision,
 4-60 the agency affected by the provision shall request the waiver or
 4-61 authorization and may delay implementing that provision until the
 4-62 waiver or authorization is granted.

4-63 SECTION 4. This Act takes effect immediately if it receives
 4-64 a vote of two-thirds of all the members elected to each house, as
 4-65 provided by Section 39, Article III, Texas Constitution. If this
 4-66 Act does not receive the vote necessary for immediate effect, this
 4-67 Act takes effect September 1, 2019.
