1-21 A BILL TO BE ENTITLED  
1-22 AN ACT

1-23 relating to the registration of and certain other requirements  
1-24 relating to data brokers; providing a civil penalty and authorizing  
1-25 a fee.

1-26 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:  
1-27 SECTION 1. Subtitle A, Title 11, Business & Commerce Code,  
1-28 is amended by adding Chapter 509 to read as follows:

1-29 CHAPTER 509. DATA BROKERS  
1-30 Sec. 509.001. DEFINITIONS. In this chapter:

1-31 (1) "Biometric data" means data generated by automatic  
1-32 measurements of an individual's biological patterns or  
1-33 characteristics, including fingerprint, voiceprint, retina or iris  
1-34 scan, information pertaining to an individual's DNA, or another  
1-35 unique biological pattern or characteristic that is used to  
1-36 identify a specific individual.

1-37 (2) "Child" means an individual younger than 13 years  
1-38 of age.

1-39 (3) "Collect," in the context of data, means to  
1-40 obtain, receive, access, or otherwise acquire the data by any  
1-41 means, including by purchasing or renting the data.

1-42 (4) "Data broker" means a business entity whose  
1-43 principal source of revenue is derived from the collecting,  
1-44 processing, or transferring of personal data that the entity did  
1-45 not collect directly from the individual linked or linkable to the  
1-46 data.

1-47 (5) "Deidentified data" means data that cannot  
1-48 reasonably be linked to an identified or identifiable individual or  
1-49 to a device linked to that individual.

1-50 (6) "Employee" includes an individual who is a  
1-51 director, officer, staff member, trainee, volunteer, or intern of  
1-52 an employer or an individual working as an independent contractor  
1-53 for an employer, regardless of whether the individual is paid,  
1-54 unpaid, or employed on a temporary basis. The term does not include  
1-55 an individual contractor who is a service provider.

1-56 (7) "Employee data" means information collected,  
1-57 processed, or transferred by an employer if the information:

1-58 (A) is related to:  
1-59 (i) a job applicant and was collected  
1-60 during the course of the hiring and application process;

2-1 (ii) an employee who is acting in a  
2-2 professional capacity for the employer, including the employee's  
2-3 business contact information such as the employee's name, position,  
2-4 title, business telephone number, business address, or business  
2-5 e-mail address;  
2-6 (iii) an employee's emergency contact  
2-7 information; or  
2-8 (iv) an employee or the employee's spouse,  
2-9 dependent, covered family member, or beneficiary; and  
2-10 (B) was collected, processed, or transferred  
2-11 solely for:  
2-12 (i) a purpose relating to the status of a  
2-13 person described by Paragraph (A)(i) as a current or former job  
2-14 applicant of the employer;  
2-15 (ii) a purpose relating to the professional  
2-16 activities of an employee described by Paragraph (A)(ii) on behalf  
2-17 of the employer;  
2-18 (iii) the purpose of having an emergency  
2-19 contact on file for an employee described by Paragraph (A)(iii) and  
2-20 for transferring the information in case of an emergency; and  
2-21 (iv) the purpose of administering benefits  
2-22 to which an employee described by Paragraph (A)(iv) is entitled or  
2-23 to which another person described by that paragraph is entitled on  
2-24 the basis of the employee's position with the employer.  
2-25 (8) "Genetic data" means any data, regardless of  
2-26 format, concerning an individual's genetic characteristics. The  
2-27 term includes:  
2-28 (A) raw sequence data derived from sequencing all  
2-29 or a portion of an individual's extracted DNA; and  
2-30 (B) genotypic and phenotypic information  
2-31 obtained from analyzing an individual's raw sequence data.  
2-32 (9) "Individual" means a natural person residing in  
2-33 this state.  
2-34 (10) "Known child" means a child under circumstances  
2-35 where a data broker has actual knowledge of, or wilfully disregards  
2-36 obtaining actual knowledge of, the child's age.  
2-37 (11) "Personal data" means any information, including  
2-38 sensitive data, that is linked or reasonably linkable to an  
2-39 identified or identifiable individual. The term includes  
2-40 pseudonymous data when the information is used by a controller or  
2-41 processor in conjunction with additional information that  
2-42 reasonably links the information to an identified or identifiable  
2-43 individual. The term does not include deidentified data, employee  
2-44 data, or publicly available information.  
2-45 (12) "Precise geolocation data" means information  
2-46 accessed on a device or technology that shows the past or present  
2-47 physical location of an individual or the individual's device with  
2-48 sufficient precision to identify street-level location information  
2-49 of the individual or device in a range of not more than 1,850 feet.  
2-50 The term does not include location information regarding an  
2-51 individual or device identifiable or derived solely from the visual  
2-52 content of a legally obtained image, including the location of a  
2-53 device that captured the image.  
2-54 (13) "Process," in the context of data, means an  
2-55 operation or set of operations performed, whether by manual or  
2-56 automated means, on personal data or on sets of personal data, such  
2-57 as the collection, use, storage, disclosure, analysis, deletion, or  
2-58 modification of personal data.  
2-59 (14) "Publicly available information" means  
2-60 information that:  
2-61 (A) is lawfully made available through  
2-62 government records;  
2-63 (B) a business has a reasonable basis to believe  
2-64 is lawfully available to the general public through widely  
2-65 distributed media; or  
2-66 (C) is lawfully made available by a consumer, or  
2-67 by a person to whom a consumer has disclosed the information, unless  
2-68 the consumer has restricted access to the information to a specific  
2-69 audience.

3-1                   (15) "Sensitive data" means:  
3-2                   (A) a government-issued identifier not required  
3-3 by law to be available publicly, including:  
3-4                   (i) a social security number;  
3-5                   (ii) a passport number; or  
3-6                   (iii) a driver's license number;  
3-7                   (B) information that describes or reveals an  
3-8 individual's mental or physical health diagnosis, condition, or  
3-9 treatment;  
3-10                   (C) an individual's financial information,  
3-11 except the last four digits of a debit or credit card number,  
3-12 including:  
3-13                   (i) a financial account number;  
3-14                   (ii) a credit or debit card number; or  
3-15                   (iii) information that describes or reveals  
3-16 the income level or bank account balances of the individual;  
3-17                   (D) biometric data;  
3-18                   (E) genetic data;  
3-19                   (F) precise geolocation data;  
3-20                   (G) an individual's private communication that:  
3-21                   (i) if made using a device, is not made  
3-22 using a device provided by the individual's employer that provides  
3-23 conspicuous notice to the individual that the employer may access  
3-24 communication made using the device; and  
3-25                   (ii) includes, unless the data broker is  
3-26 the sender or an intended recipient of the communication:  
3-27                   (a) the individual's voicemails,  
3-28 e-mails, texts, direct messages, or mail;  
3-29                   (b) information that identifies the  
3-30 parties involved in the communications; and  
3-31                   (c) information that relates to the  
3-32 transmission of the communications, including telephone numbers  
3-33 called, telephone numbers from which calls were placed, the time  
3-34 calls were made, call duration, and location information of the  
3-35 parties to the call;  
3-36                   (H) a log-in credential, security code, or access  
3-37 code for an account or device;  
3-38                   (I) information identifying the sexual behavior  
3-39 of the individual in a manner inconsistent with the individual's  
3-40 reasonable expectation regarding the collection, processing, or  
3-41 transfer of the information;  
3-42                   (J) calendar information, address book  
3-43 information, phone or text logs, photos, audio recordings, or  
3-44 videos:  
3-45                   (i) maintained for private use by an  
3-46 individual and stored on the individual's device or in another  
3-47 location; and  
3-48                   (ii) not communicated using a device  
3-49 provided by the individual's employer unless the employee was  
3-50 provided conspicuous notice that the employer may access  
3-51 communication made using the device;  
3-52                   (K) a photograph, film, video recording, or other  
3-53 similar medium that shows the individual or a part of the individual  
3-54 nude or wearing undergarments;  
3-55                   (L) information revealing the video content  
3-56 requested or selected by an individual that is not:  
3-57                   (i) collected by a provider of broadcast  
3-58 television service, cable service, satellite service, streaming  
3-59 media service, or other video programming, as that term is defined  
3-60 by 47 U.S.C. Section 613(h)(2); or  
3-61                   (ii) used solely for transfers for  
3-62 independent video measurement;  
3-63                   (M) information regarding a known child;  
3-64                   (N) information revealing an individual's racial  
3-65 or ethnic origin, color, religious beliefs, or union membership;  
3-66                   (O) information identifying an individual's  
3-67 online activities over time accessing multiple Internet websites or  
3-68 online services; or  
3-69                   (P) information collected, processed, or

4-1 transferred for the purpose of identifying information described by  
 4-2 this subdivision.

4-3 (16) "Service provider" means a person that receives,  
 4-4 collects, processes, or transfers personal data on behalf of, and  
 4-5 at the direction of, a business or governmental entity, including a  
 4-6 business or governmental entity that is another service provider,  
 4-7 in order for the person to perform a service or function with or on  
 4-8 behalf of the business or governmental entity.

4-9 (17) "Transfer," in the context of data, means to  
 4-10 disclose, release, share, disseminate, make available, sell, or  
 4-11 license the data by any means or medium.

4-12 Sec. 509.002. APPLICABILITY TO CERTAIN DATA. (a) Except as  
 4-13 provided by Subsection (b), this chapter applies to personal data  
 4-14 from an individual that is collected, transferred, or processed by  
 4-15 a data broker.

4-16 (b) This chapter does not apply to the following data:

4-17 (1) deidentified data, if the data broker:

4-18 (A) takes reasonable technical measures to  
 4-19 ensure that the data is not able to be used to identify an  
 4-20 individual with whom the data is associated;

4-21 (B) publicly commits in a clear and conspicuous  
 4-22 manner:

4-23 (i) to process and transfer the data solely  
 4-24 in a deidentified form without any reasonable means for  
 4-25 reidentification; and

4-26 (ii) to not attempt to identify the  
 4-27 information to an individual with whom the data is associated; and

4-28 (C) contractually obligates a person that  
 4-29 receives the information from the provider:

4-30 (i) to comply with this subsection with  
 4-31 respect to the information; and

4-32 (ii) to require that those contractual  
 4-33 obligations be included in any subsequent transfer of the data to  
 4-34 another person;

4-35 (2) employee data;

4-36 (3) publicly available information;

4-37 (4) inferences made exclusively from multiple  
 4-38 independent sources of publicly available information that do not  
 4-39 reveal sensitive data with respect to an individual; or

4-40 (5) data subject to Title V, Gramm-Leach-Bliley Act  
 4-41 (15 U.S.C. Section 6801 et seq.).

4-42 Sec. 509.003. APPLICABILITY OF CHAPTER TO CERTAIN ENTITIES.

4-43 (a) Except as provided by Subsection (b), this chapter applies only  
 4-44 to a data broker that, in a 12-month period, derives:

4-45 (1) more than 50 percent of the data broker's revenue  
 4-46 from processing or transferring personal data that the data broker  
 4-47 did not collect directly from the individuals to whom the data  
 4-48 pertains; or

4-49 (2) revenue from processing or transferring the  
 4-50 personal data of more than 50,000 individuals that the data broker  
 4-51 did not collect directly from the individuals to whom the data  
 4-52 pertains.

4-53 (b) This chapter does not apply to:

4-54 (1) a service provider, including a service provider  
 4-55 that engages in the business of processing employee data for a  
 4-56 third-party employer for the sole purpose of providing benefits to  
 4-57 the third-party employer's employees;

4-58 (2) a person or entity that collects personal data  
 4-59 from another person or entity to which the person or entity is  
 4-60 related by common ownership or corporate control, provided a  
 4-61 reasonable consumer would expect the persons or entities to share  
 4-62 data;

4-63 (3) a federal, state, tribal, territorial, or local  
 4-64 governmental entity, including a body, authority, board, bureau,  
 4-65 commission, district, agency, or political subdivision of a  
 4-66 governmental entity;

4-67 (4) an entity that serves as a congressionally  
 4-68 designated nonprofit, national resource center, or clearinghouse  
 4-69 to provide assistance to victims, families, child-serving

5-1 professionals, and the general public on missing and exploited  
5-2 children issues;  
5-3 (5) a consumer reporting agency or other person or  
5-4 entity that furnishes information for inclusion in a consumer  
5-5 credit report or obtains a consumer credit report, but only to the  
5-6 extent the person or entity engages in activity regulated or  
5-7 authorized by the Fair Credit Reporting Act (15 U.S.C. Section 1681  
5-8 et seq.), including the collection, maintenance, disclosure, sale,  
5-9 communication, or use of any personal information bearing on a  
5-10 consumer's creditworthiness, credit standing, credit capacity,  
5-11 character, general reputation, personal characteristics, or mode  
5-12 of living; or  
5-13 (6) a financial institution subject to Title V,  
5-14 Gramm-Leach-Bliley Act (15 U.S.C. Section 6801 et seq.).  
5-15 Sec. 509.004. NOTICE ON WEBSITE OR MOBILE APPLICATION. A  
5-16 data broker that maintains an Internet website or mobile  
5-17 application shall post a conspicuous notice on the website or  
5-18 application that:  
5-19 (1) states that the entity maintaining the website or  
5-20 application is a data broker;  
5-21 (2) is clear, not misleading, and readily accessible  
5-22 by the general public, including individuals with a disability; and  
5-23 (3) contains language provided by rule of the  
5-24 secretary of state for inclusion in the notice.  
5-25 Sec. 509.005. REGISTRATION. (a) To conduct business in  
5-26 this state, a data broker to which this chapter applies shall  
5-27 register with the secretary of state by filing a registration  
5-28 statement and paying a registration fee of \$300.  
5-29 (b) The registration statement must include:  
5-30 (1) the legal name of the data broker;  
5-31 (2) a contact person and the primary physical address,  
5-32 e-mail address, telephone number, and Internet website address for  
5-33 the data broker;  
5-34 (3) a description of the categories of data the data  
5-35 broker processes and transfers;  
5-36 (4) a statement of whether or not the data broker  
5-37 implements a purchaser credentialing process;  
5-38 (5) if the data broker has actual knowledge that the  
5-39 data broker possesses personal data of a known child:  
5-40 (A) a statement detailing the data collection  
5-41 practices, databases, sales activities, and opt-out policies that  
5-42 are applicable to the personal data of a known child; and  
5-43 (B) a statement on how the data broker complies  
5-44 with applicable federal and state law regarding the collection,  
5-45 use, or disclosure of personal data from and about a child on the  
5-46 Internet; and  
5-47 (6) the number of security breaches the data broker  
5-48 has experienced during the year immediately preceding the year in  
5-49 which the registration is filed, and if known, the total number of  
5-50 consumers affected by each breach.  
5-51 (c) A registration of a data broker may include any  
5-52 additional information or explanation the data broker chooses to  
5-53 provide to the secretary of state concerning the data broker's data  
5-54 collection practices.  
5-55 (d) A registration certificate expires on the first  
5-56 anniversary of its date of issuance. A data broker may renew a  
5-57 registration certificate by filing a renewal application, in the  
5-58 form prescribed by the secretary of state, and paying a renewal fee  
5-59 in the amount of \$300.  
5-60 Sec. 509.006. REGISTRY OF DATA BROKERS. (a) The secretary  
5-61 of state shall establish and maintain, on its Internet website, a  
5-62 searchable, central registry of data brokers registered under  
5-63 Section 509.005.  
5-64 (b) The registry must include:  
5-65 (1) a search feature that allows a person searching  
5-66 the registry to identify a specific data broker; and  
5-67 (2) for each data broker, the information filed under  
5-68 Section 509.005(b).  
5-69 Sec. 509.007. PROTECTION OF PERSONAL DATA: COMPREHENSIVE

6-1 INFORMATION SECURITY PROGRAM. (a) A data broker conducting  
 6-2 business in this state has a duty to protect personal data held by  
 6-3 that data broker as provided by this section.  
 6-4 (b) A data broker shall develop, implement, and maintain a  
 6-5 comprehensive information security program that is written in one  
 6-6 or more readily accessible parts and contains administrative,  
 6-7 technical, and physical safeguards that are appropriate for:  
 6-8 (1) the data broker's size, scope, and type of  
 6-9 business;  
 6-10 (2) the amount of resources available to the data  
 6-11 broker;  
 6-12 (3) the amount of data stored by the data broker; and  
 6-13 (4) the need for security and confidentiality of  
 6-14 personal data stored by the data broker.  
 6-15 (c) The comprehensive information security program required  
 6-16 by this section must:  
 6-17 (1) incorporate safeguards that are consistent with  
 6-18 the safeguards for protection of personal data and information of a  
 6-19 similar character under state or federal laws and regulations  
 6-20 applicable to the data broker;  
 6-21 (2) include the designation of one or more employees  
 6-22 of the data broker to maintain the program;  
 6-23 (3) require the identification and assessment of  
 6-24 reasonably foreseeable internal and external risks to the security,  
 6-25 confidentiality, and integrity of any electronic, paper, or other  
 6-26 record containing personal data, and the establishment of a process  
 6-27 for evaluating and improving, as necessary, the effectiveness of  
 6-28 the current safeguards for limiting those risks, including by:  
 6-29 (A) requiring ongoing employee and contractor  
 6-30 education and training, including education and training for  
 6-31 temporary employees and contractors of the data broker, on the  
 6-32 proper use of security procedures and protocols and the importance  
 6-33 of personal data security;  
 6-34 (B) mandating employee compliance with policies  
 6-35 and procedures established under the program; and  
 6-36 (C) providing a means for detecting and  
 6-37 preventing security system failures;  
 6-38 (4) include security policies for the data broker's  
 6-39 employees relating to the storage, access, and transportation of  
 6-40 records containing personal data outside of the broker's physical  
 6-41 business premises;  
 6-42 (5) provide disciplinary measures for violations of a  
 6-43 policy or procedure established under the program;  
 6-44 (6) include measures for preventing a terminated  
 6-45 employee from accessing records containing personal data;  
 6-46 (7) provide policies for the supervision of  
 6-47 third-party service providers that include:  
 6-48 (A) taking reasonable steps to select and retain  
 6-49 third-party service providers that are capable of maintaining  
 6-50 appropriate security measures to protect personal data consistent  
 6-51 with applicable law; and  
 6-52 (B) requiring third-party service providers by  
 6-53 contract to implement and maintain appropriate security measures  
 6-54 for personal data;  
 6-55 (8) provide reasonable restrictions on physical  
 6-56 access to records containing personal data, including by requiring  
 6-57 the records containing the data to be stored in a locked facility,  
 6-58 storage area, or container;  
 6-59 (9) include regular monitoring to ensure that the  
 6-60 program is operating in a manner reasonably calculated to prevent  
 6-61 unauthorized access to or unauthorized use of personal data and, as  
 6-62 necessary, upgrading information safeguards to limit the risk of  
 6-63 unauthorized access to or unauthorized use of personal data;  
 6-64 (10) require the regular review of the scope of the  
 6-65 program's security measures that must occur:  
 6-66 (A) at least annually; and  
 6-67 (B) whenever there is a material change in the  
 6-68 data broker's business practices that may reasonably affect the  
 6-69 security or integrity of records containing personal data;

7-1                   (11) require the documentation of responsive actions  
7-2 taken in connection with any incident involving a breach of  
7-3 security, including a mandatory post-incident review of each event  
7-4 and the actions taken, if any, to make changes in business practices  
7-5 relating to protection of personal data in response to that event;  
7-6 and  
7-7                   (12) to the extent technically feasible, include the  
7-8 following procedures and protocols with respect to computer system  
7-9 security requirements or procedures and protocols providing a  
7-10 higher degree of security, for the protection of personal data:  
7-11                   (A) the use of secure user authentication  
7-12 protocols that include each of the following features:  
7-13                   (i) controlling user log-in credentials and  
7-14 other identifiers;  
7-15                   (ii) using a reasonably secure method of  
7-16 assigning and selecting passwords or using unique identifier  
7-17 technologies, which may include biometrics or token devices;  
7-18                   (iii) controlling data security passwords  
7-19 to ensure that the passwords are kept in a location and format that  
7-20 do not compromise the security of the data the passwords protect;  
7-21                   (iv) restricting access to only active  
7-22 users and active user accounts; and  
7-23                   (v) blocking access to user credentials or  
7-24 identification after multiple unsuccessful attempts to gain  
7-25 access;  
7-26                   (B) the use of secure access control measures  
7-27 that include:  
7-28                   (i) restricting access to records and files  
7-29 containing personal data to only employees or contractors who need  
7-30 access to that personal data to perform the job duties of the  
7-31 employees or contractors; and  
7-32                   (ii) assigning to each employee or  
7-33 contractor with access to a computer containing personal data  
7-34 unique identification and a password, which may not be a  
7-35 vendor-supplied default password, or using another protocol  
7-36 reasonably designed to maintain the integrity of the security of  
7-37 the access controls to personal data;  
7-38                   (C) encryption of:  
7-39                   (i) transmitted records and files  
7-40 containing personal data that will travel across public networks;  
7-41 and  
7-42                   (ii) data containing personal data that is  
7-43 transmitted wirelessly;  
7-44                   (D) reasonable monitoring of systems for  
7-45 unauthorized use of or access to personal data;  
7-46                   (E) encryption of all personal data stored on  
7-47 laptop computers or other portable devices;  
7-48                   (F) for files containing personal data on a  
7-49 system that is connected to the Internet, the use of reasonably  
7-50 current firewall protection and operating system security patches  
7-51 that are reasonably designed to maintain the integrity of the  
7-52 personal data; and  
7-53                   (G) the use of:  
7-54                   (i) a reasonably current version of system  
7-55 security agent software that must include malware protection and  
7-56 reasonably current patches and virus definitions; or  
7-57                   (ii) a version of system security agent  
7-58 software that is supportable with current patches and virus  
7-59 definitions and is set to receive the most current security updates  
7-60 on a regular basis.  
7-61                   Sec. 509.008. CIVIL PENALTY. (a) A data broker that  
7-62 violates Section 509.004 or 509.005 is liable to this state for a  
7-63 civil penalty as prescribed by this section.  
7-64                   (b) A civil penalty imposed against a data broker under this  
7-65 section:  
7-66                   (1) subject to Subdivision (2), may not be in an amount  
7-67 less than the total of:  
7-68                   (A) \$100 for each day the entity is in violation  
7-69 of Section 509.004 or 509.005; and

8-1 (B) the amount of unpaid registration fees for  
8-2 each year the entity failed to register in violation of Section  
8-3 509.005; and

8-4 (2) may not exceed \$10,000 assessed against the same  
8-5 data broker in a 12-month period.

8-6 (c) The attorney general may bring an action to recover a  
8-7 civil penalty imposed under this section. The attorney general may  
8-8 recover reasonable attorney's fees and court costs incurred in  
8-9 bringing the action.

8-10 Sec. 509.009. DECEPTIVE TRADE PRACTICE. A violation of  
8-11 Section 509.007 by a data broker constitutes a deceptive trade  
8-12 practice in addition to the practices described by Subchapter E,  
8-13 Chapter 17, and is actionable under that subchapter.

8-14 Sec. 509.010. RULES. The secretary of state shall adopt  
8-15 rules as necessary to implement this chapter.

8-16 SECTION 2. Not later than December 1, 2023, the secretary of  
8-17 state shall adopt rules necessary to facilitate registration by a  
8-18 data broker under Section 509.005, Business & Commerce Code, as  
8-19 added by this Act, including by incorporating into the rules  
8-20 adequate time for a data broker to comply with Chapter 509, Business  
8-21 & Commerce Code, as added by this Act, following the adoption of the  
8-22 rules.

8-23 SECTION 3. Chapter 509, Business & Commerce Code, as added  
8-24 by this Act, applies only to the collection, processing, or  
8-25 transfer of personal data by a data broker on or after December 1,  
8-26 2023.

8-27 SECTION 4. This Act takes effect September 1, 2023.
