1-14 COMMITTEE SUBSTITUTE FOR H.B. No. 4341 By: Johnson  
1-15 A BILL TO BE ENTITLED  
1-16 AN ACT

1-17 relating to critical infrastructure facility emergency response  
1-18 maps and the critical infrastructure emergency response map grant  
1-19 program.

1-20 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:  
1-21 SECTION 1. Chapter 424, Government Code, is amended by  
1-22 adding Subchapter D to read as follows:

1-23 SUBCHAPTER D. EMERGENCY RESPONSE MAP AND GRANT PROGRAM  
1-24 Sec. 424.151. DEFINITIONS. In this subchapter:

1-25 (1) "Division" means the criminal justice division in  
1-26 the governor's office established under Section 772.006.

1-27 (2) "Fund" means the critical infrastructure  
1-28 emergency response map fund created under Section 424.155.

1-29 (3) "Grant program" means the critical infrastructure  
1-30 emergency response map grant program established under Section  
1-31 424.154.

1-32 (4) "Public safety agency" and "public safety  
1-33 answering point" have the meanings assigned by Section 771.001,  
1-34 Health and Safety Code.

1-35 Sec. 424.152. APPLICABILITY. (a) This subchapter applies  
1-36 only to a critical infrastructure facility that is:

1-37 (1) a public or private airport depicted in any  
1-38 current aeronautical chart published by the Federal Aviation  
1-39 Administration; or

1-40 (2) a military installation owned or operated by or  
1-41 for this state or another governmental entity.

1-42 (b) A critical infrastructure facility to which this  
1-43 subchapter applies is required to comply with the requirements of  
1-44 this subchapter only if the facility is awarded a grant under  
1-45 Section 424.154.

1-46 Sec. 424.153. EMERGENCY RESPONSE MAP AND TOUR. (a) Each  
1-47 critical infrastructure facility to which this subchapter applies  
1-48 shall provide to the division and appropriate public safety  
1-49 agencies:

1-50 (1) an accurate emergency response map of the facility  
1-51 that is developed in accordance with the standards described by  
1-52 Subsection (b); and

1-53 (2) an opportunity to tour the facility using the map  
1-54 described by Subdivision (1) to verify the map's accuracy.

1-55 (b) An emergency response map must:  
1-56 (1) include:

1-57 (A) an accurate floor plan overlaid on current,  
1-58 verified aerial imagery of the facility and its surrounding land  
1-59 and a site-specific label for each building of the facility;

1-60 (B) a label for each:

(i) room;  
 (ii) named hallway; and  
 (iii) external door or stairwell number;  
and

(C) the location of each:  
 (i) known hazard;  
 (ii) critical utility;  
 (iii) key box;  
 (iv) automated external defibrillator; and  
 (v) trauma kit;

(2) conform to, integrate with, and be accessible by software used by the division, entities operating a local public safety answering point, or appropriate public safety agencies without imposing a fee or requiring the purchase of additional software to access the map and associated data;

(3) be in a format capable of being printed, shared electronically, or integrated into an interactive software application; and

(4) be in a format easily modified or updated.

(c) A critical infrastructure facility to which this subchapter applies may only provide an emergency response map to the division and appropriate public safety agencies for purposes of developing a verified source of critical infrastructure mapping data in this state and ensuring efficient emergency response for the facility.

(d) A critical infrastructure facility to which this subchapter applies may not provide or make available to the public an emergency response map.

Sec. 424.154. CRITICAL INFRASTRUCTURE EMERGENCY RESPONSE MAP GRANT PROGRAM. (a) The division shall establish and administer a grant program to provide mapping services for critical infrastructure facilities to which this subchapter applies to develop emergency response maps required under Section 424.153.

(b) A grant awarded under this section may only be used to obtain mapping services for a critical infrastructure facility to which this subchapter applies to provide the emergency response map required under Section 424.153.

(c) A mapping service provider who is a recipient of grant money shall provide an emergency response map to the critical infrastructure facility, the division, and appropriate public safety agencies and may only charge a fee for the initial production cost for the map.

(d) The division shall adopt rules to administer the grant program established under this section, including eligibility standards and procedures for applying for a grant under this section.

(e) The division may award a grant under the grant program only in accordance with a contract between the division and a grant recipient. The contract must include provisions under which the division is granted sufficient control to ensure the public purpose of providing emergency response mapping services to critical infrastructure facilities to which this subchapter applies is accomplished and the state receives a return benefit.

Sec. 424.155. CRITICAL INFRASTRUCTURE EMERGENCY RESPONSE MAP FUND. (a) The critical infrastructure emergency response map fund is a dedicated account in the general revenue fund administered by the division.

(b) The fund consists of:

(1) legislative appropriations of money to the division for deposit to the credit of the fund for purposes of this subchapter;

(2) any revenue that by law is dedicated for deposit to the fund;

(3) interest or other earnings on money credited to or allocable to the fund; and

(4) gifts, grants, including federal grants, or donations received by the division for the fund.

(c) Money in the fund may be appropriated only to the division to administer the grant program and award grants under

3-1 Section 424.154.

3-2 SECTION 2. As soon as practicable after the effective date  
3-3 of this Act, the criminal justice division in the office of the  
3-4 governor shall establish the grant program required under Section  
3-5 424.154, Government Code, as added by this Act.

3-6 SECTION 3. This Act takes effect September 1, 2025.
