1-7 COMMITTEE SUBSTITUTE FOR S.B. No. 10 By: Nelson

1-8 A BILL TO BE ENTITLED
1-9 AN ACT

1-10 relating to the operation and financing of the medical assistance
1-11 program and other programs to provide health care benefits and
1-12 services to persons in this state.

1-13 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

1-14 SECTION 1. (a) Subchapter B, Chapter 531, Government Code,
1-15 is amended by adding Sections 531.094, 531.0941, 531.097, and
1-16 531.0971 to read as follows:

1-17 Sec. 531.094. PILOT PROGRAM AND OTHER PROGRAMS TO PROMOTE
1-18 HEALTHY LIFESTYLES. (a) The commission shall develop and
1-19 implement a pilot program in one region of this state under which
1-20 Medicaid recipients are provided positive incentives to lead
1-21 healthy lifestyles, including through participating in certain
1-22 health-related programs or engaging in certain health-conscious
1-23 behaviors, thereby resulting in better health outcomes for those
1-24 recipients.

1-25 (b) Except as provided by Subsection (c), in implementing
1-26 the pilot program, the commission may provide:

1-27 (1) expanded health care benefits or value-added
1-28 services for Medicaid recipients who participate in certain
1-29 programs, such as specified weight loss or smoking cessation
1-30 programs;

1-31 (2) individual health rewards accounts that allow
1-32 Medicaid recipients who follow certain disease management
1-33 protocols to receive credits in the accounts that may be exchanged
1-34 for health-related items specified by the commission that are not
1-35 covered by Medicaid; and

1-36 (3) any other positive incentive the commission
1-37 determines would promote healthy lifestyles and improve health
1-38 outcomes for Medicaid recipients.

1-39 (c) The commission shall consider similar incentive
1-40 programs implemented in other states to determine the most
1-41 cost-effective measures to implement in the pilot program under
1-42 this section.

1-43 (d) Not later than December 1, 2010, the commission shall
1-44 submit a report to the legislature that:

1-45 (1) describes the operation of the pilot program;

1-46 (2) analyzes the effect of the incentives provided
1-47 under the pilot program on the health of program participants; and

1-48 (3) makes recommendations regarding the continuation
1-49 or expansion of the pilot program.

1-50 (e) In addition to developing and implementing the pilot
1-51 program under this section, the commission may, if feasible and
1-52 cost-effective, develop and implement an additional incentive
1-53 program to encourage Medicaid recipients who are younger than 21
1-54 years of age to make timely health care visits under the early and
1-55 periodic screening, diagnosis, and treatment program. The
1-56 commission shall provide incentives under the program for managed
1-57 care organizations contracting with the commission under Chapter
1-58 533 and Medicaid providers to encourage those organizations and
1-59 providers to support the delivery and documentation of timely and
1-60 complete health care screenings under the early and periodic
1-61 screening, diagnosis, and treatment program.

1-62 (f) This section expires September 1, 2011.

1-63 Sec. 531.0941. MEDICAID HEALTH SAVINGS ACCOUNT PILOT

PROGRAM. (a) If the commission determines that it is cost-effective and feasible, the commission shall develop and implement a Medicaid health savings account pilot program that is consistent with federal law to:

(1) encourage health care cost awareness and sensitivity by adult recipients; and
 (2) promote appropriate utilization of Medicaid services by adult recipients.

(b) If the commission implements a pilot program under this section, the commission may only include adult recipients as participants in the program.

Sec. 531.097. TAILORED BENEFIT PACKAGES FOR CERTAIN CATEGORIES OF THE MEDICAID POPULATION. (a) The executive commissioner may seek a waiver under Section 1115 of the federal Social Security Act (42 U.S.C. Section 1315) to develop and, subject to Subsection (c), implement tailored benefit packages designed to:

(1) provide Medicaid benefits that are customized to meet the health care needs of recipients within defined categories of the Medicaid population through a defined system of care;

(2) improve health outcomes for those recipients;

(3) improve those recipients' access to services;

(4) achieve cost containment and efficiency; and

(5) reduce the administrative complexity of delivering Medicaid benefits.

(b) The commission:

(1) shall develop a tailored benefit package that is customized to meet the health care needs of Medicaid recipients who are children with special health care needs, subject to approval of the waiver described by Subsection (a); and

(2) may develop tailored benefit packages that are customized to meet the health care needs of other categories of Medicaid recipients.

(c) If the commission develops tailored benefit packages under Subsection (b)(2), the commission shall submit a report to the standing committees of the senate and house of representatives having primary jurisdiction over the Medicaid program that specifies, in detail, the categories of Medicaid recipients to which each of those packages will apply and the services available under each package. The commission may not implement a package developed under Subsection (b)(2) before September 1, 2009.

(d) Except as otherwise provided by this section and subject to the terms of the waiver authorized by this section, the commission has broad discretion to develop the tailored benefit packages under this section and determine the respective categories of Medicaid recipients to which the packages apply in a manner that preserves recipients' access to necessary services and is consistent with federal requirements.

(e) Each tailored benefit package developed under this section must include:

(1) a basic set of benefits that are provided under all tailored benefit packages; and

(2) to the extent applicable to the category of Medicaid recipients to which the package applies:

(A) a set of benefits customized to meet the health care needs of recipients in that category; and

(B) services to integrate the management of a recipient's acute and long-term care needs, to the extent feasible.

(f) In addition to the benefits required by Subsection (e), a tailored benefit package developed under this section that applies to Medicaid recipients who are children must provide at least the services required by federal law under the early and periodic screening, diagnosis, and treatment program.

(g) A tailored benefit package developed under this section may include any service available under the state Medicaid plan or under any federal Medicaid waiver, including any preventive health or wellness service.

(h) In developing the tailored benefit packages, the commission shall consider similar benefit packages established in

3-1 other states as a guide.

3-2 (i) The executive commissioner, by rule, shall define each
 3-3 category of recipients to which a tailored benefit package applies
 3-4 and a mechanism for appropriately placing recipients in specific
 3-5 categories. Recipient categories must include children with
 3-6 special health care needs and may include:

3-7 (1) persons with disabilities or special health needs;

3-8 (2) elderly persons;

3-9 (3) children without special health care needs; and

3-10 (4) working-age parents and caretaker relatives.

3-11 (j) This section does not apply to a tailored benefit
 3-12 package or similar package of benefits implemented before September
 3-13 1, 2007.

3-14 Sec. 531.0971. TAILORED BENEFIT PACKAGES FOR NON-MEDICAID
 3-15 POPULATIONS. (a) The commission shall identify state or federal
 3-16 non-Medicaid programs that provide health care services to persons
 3-17 whose health care needs could be met by providing customized
 3-18 benefits through a system of care that is used under a Medicaid
 3-19 tailored benefit package implemented under Section 531.097.

3-20 (b) If the commission determines that it is feasible and to
 3-21 the extent permitted by federal and state law, the commission
 3-22 shall:

3-23 (1) provide the health care services for persons
 3-24 identified under Subsection (a) through the applicable Medicaid
 3-25 tailored benefit package; and

3-26 (2) if appropriate or necessary to provide the
 3-27 services as required by Subdivision (1), develop and implement a
 3-28 system of blended funding methodologies to provide the services in
 3-29 that manner.

3-30 (b) Not later than September 1, 2008, the Health and Human
 3-31 Services Commission shall implement the pilot program under Section
 3-32 531.094, Government Code, as added by this section.

3-33 SECTION 2. (a) Subchapter C, Chapter 531, Government Code,
 3-34 is amended by adding Section 531.1112 to read as follows:

3-35 Sec. 531.1112. STUDY CONCERNING INCREASED USE OF TECHNOLOGY
 3-36 TO STRENGTHEN FRAUD DETECTION AND DETERRENCE; IMPLEMENTATION.

3-37 (a) The commission and the commission's office of inspector
 3-38 general shall jointly study the feasibility of increasing the use
 3-39 of technology to strengthen the detection and deterrence of fraud
 3-40 in the state Medicaid program. The study must include the
 3-41 determination of the feasibility of using technology to verify a
 3-42 person's citizenship and eligibility for coverage.

3-43 (b) The commission shall implement any methods the
 3-44 commission and the commission's office of inspector general
 3-45 determine are effective at strengthening fraud detection and
 3-46 deterrence.

3-47 (b) Not later than December 1, 2008, the Health and Human
 3-48 Services Commission shall submit to the legislature a report
 3-49 detailing the findings of the study required by Section 531.1112,
 3-50 Government Code, as added by this section. The report must include
 3-51 a description of any method described by Subsection (b), Section
 3-52 531.1112, Government Code, as added by this section, that the
 3-53 commission has implemented or intends to implement.

3-54 SECTION 3. (a) Chapter 531, Government Code, is amended by
 3-55 adding Subchapter N to read as follows:

3-56 SUBCHAPTER N. TEXAS HEALTH OPPORTUNITY POOL

3-57 Sec. 531.501. DIRECTION TO OBTAIN FEDERAL WAIVER FOR POOLED
 3-58 FUNDS. (a) The executive commissioner may seek a waiver under
 3-59 Section 1115 of the federal Social Security Act (42 U.S.C. Section
 3-60 1315) to the state Medicaid plan to allow the commission to more
 3-61 efficiently and effectively use federal money paid to this state
 3-62 under various programs to defray costs associated with providing
 3-63 uncompensated health care in this state by:

3-64 (1) depositing that federal money and, to the extent
 3-65 necessary, state money, into a pooled fund established in the state
 3-66 treasury outside the general revenue fund; and

3-67 (2) using the money for purposes consistent with this
 3-68 subchapter.

3-69 (b) The federal money the executive commissioner may seek

4-1 approval to pool includes:

4-2 (1) money provided under the disproportionate share
 4-3 hospitals and upper payment limit supplemental payment programs,
 4-4 other than money provided under the disproportionate share
 4-5 hospitals supplemental payment program to state-owned and operated
 4-6 hospitals;

4-7 (2) money provided by the federal government in lieu
 4-8 of some or all of the payments under those programs;

4-9 (3) any combination of funds authorized to be pooled
 4-10 by Subdivisions (1) and (2); and

4-11 (4) any other money available for that purpose,
 4-12 including federal money and money identified under Subsection (c).

4-13 (c) The commission shall seek to optimize federal funding
 4-14 by:

4-15 (1) identifying health care related state and local
 4-16 funds and program expenditures that, before September 1, 2007, are
 4-17 not being matched with federal money; and

4-18 (2) exploring the feasibility of:

4-19 (A) certifying or otherwise using those funds and
 4-20 expenditures as state expenditures for which this state may receive
 4-21 federal matching money; and

4-22 (B) pooling federal matching money received as
 4-23 provided by Paragraph (A) with other federal money pooled under
 4-24 Subsection (b), or substituting that federal matching money for
 4-25 federal money that otherwise would be received under the
 4-26 disproportionate share hospitals and upper payment limit
 4-27 supplemental payment programs as a match for local funds received
 4-28 by this state through intergovernmental transfers.

4-29 (d) The terms of a waiver approved under this section must:

4-30 (1) include safeguards to ensure that the total amount
 4-31 of federal money in the pooled fund and any federal money provided
 4-32 under the disproportionate share hospitals and upper payment limit
 4-33 supplemental payment programs that is not included in the pooled
 4-34 fund is, for a particular state fiscal year, at least equal to the
 4-35 greater of the annualized amount provided to this state under those
 4-36 supplemental payment programs during state fiscal year 2007,
 4-37 excluding amounts provided during that state fiscal year that are
 4-38 retroactive payments, or the state fiscal years during which the
 4-39 waiver is in effect; and

4-40 (2) allow for the development by this state of a
 4-41 methodology for allocating money in the pooled fund to:

4-42 (A) offset, in part, the uncompensated health
 4-43 care costs incurred by hospitals;

4-44 (B) reduce the number of persons in this state
 4-45 who do not have health benefits coverage; and

4-46 (C) maintain and enhance the community public
 4-47 health infrastructure provided by hospitals.

4-48 (e) In a waiver under this section, the executive
 4-49 commissioner shall seek to:

4-50 (1) obtain maximum flexibility with respect to using
 4-51 the money in the pooled fund for purposes consistent with this
 4-52 subchapter;

4-53 (2) include an annual adjustment to the aggregate caps
 4-54 under the upper payment limit supplemental payment program to
 4-55 account for inflation, population growth, and other appropriate
 4-56 demographic factors that affect the ability of residents of this
 4-57 state to obtain health benefits coverage;

4-58 (3) ensure, for the term of the waiver, that the
 4-59 aggregate caps under the upper payment limit supplemental payment
 4-60 program for each of the three classes of hospitals are not less than
 4-61 the aggregate caps that applied during state fiscal year 2007; and

4-62 (4) to the extent allowed by federal rule, federal
 4-63 regulations, and federal waiver authority, preserve existing
 4-64 resources funded by intergovernmental transfer or certified public
 4-65 expenditure that are used to optimize Medicaid payments to safety
 4-66 net hospitals for uncompensated care, unless the need for the
 4-67 resources is revised through measures that reduce the Medicaid
 4-68 shortfall or uncompensated care costs.

4-69 (f) The executive commissioner shall seek broad-based

5-1 stakeholder input in the development of the waiver under this
 5-2 section and shall provide information to stakeholders regarding the
 5-3 terms and components of the waiver for which the executive
 5-4 commissioner seeks federal approval.

5-5 (g) The executive commissioner shall seek the advice of the
 5-6 Legislative Budget Board before finalizing the terms and conditions
 5-7 of the negotiated waiver.

5-8 Sec. 531.502. ESTABLISHMENT OF TEXAS HEALTH OPPORTUNITY
 5-9 POOL. Subject to approval of the waiver authorized by Section
 5-10 531.501, the Texas health opportunity pool is established in
 5-11 accordance with the terms of that waiver as an account in the state
 5-12 treasury outside the general revenue fund. Money in the pool may be
 5-13 used only for purposes consistent with this subchapter and the
 5-14 terms of the waiver.

5-15 Sec. 531.503. USE OF TEXAS HEALTH OPPORTUNITY POOL IN
 5-16 GENERAL; RULES FOR ALLOCATION. (a) Except as otherwise provided
 5-17 by the terms of a waiver authorized by Section 531.501, money in the
 5-18 Texas health opportunity pool may be used:

5-19 (1) subject to Section 531.504, to provide
 5-20 reimbursements to health care providers that:

5-21 (A) are based on the providers' costs related to
 5-22 providing uncompensated care; and

5-23 (B) compensate the providers for at least a
 5-24 portion of those costs;

5-25 (2) to reduce the number of persons in this state who
 5-26 do not have health benefits coverage;

5-27 (3) to reduce the need for uncompensated health care
 5-28 provided by hospitals in this state; and

5-29 (4) for any other purpose specified by this subchapter
 5-30 or the waiver.

5-31 (b) On approval of the waiver, the executive commissioner
 5-32 shall:

5-33 (1) seek input from a broad base of stakeholder
 5-34 representatives on the development of rules with respect to, and
 5-35 the implementation of, the pool; and

5-36 (2) by rule develop a methodology for allocating money
 5-37 in the pool that is consistent with the terms of the waiver.

5-38 Sec. 531.504. REIMBURSEMENTS FOR UNCOMPENSATED HEALTH CARE
 5-39 COSTS. (a) Except as otherwise provided by the terms of a waiver
 5-40 authorized by Section 531.501 and subject to Subsections (b) and
 5-41 (c), money in the Texas health opportunity pool may be allocated to
 5-42 hospitals in this state and political subdivisions of this state to
 5-43 defray the costs of providing uncompensated health care in this
 5-44 state.

5-45 (b) To be eligible for money from the pool under this
 5-46 section, a hospital or political subdivision must use a portion of
 5-47 the money to implement strategies that will reduce the need for
 5-48 uncompensated inpatient and outpatient care, including care
 5-49 provided in a hospital emergency room. Strategies that may be
 5-50 implemented by a hospital or political subdivision, as applicable,
 5-51 include:

5-52 (1) fostering improved access for patients to primary
 5-53 care systems or other programs that offer those patients medical
 5-54 homes, including the following programs:

5-55 (A) three share or multiple share programs;

5-56 (B) programs to provide premium subsidies for
 5-57 health benefits coverage; and

5-58 (C) other programs to increase access to health
 5-59 benefits coverage; and

5-60 (2) creating health care systems efficiencies, such as
 5-61 using electronic medical records systems.

5-62 (c) The allocation methodology adopted by the executive
 5-63 commissioner under Section 531.503(b) must specify the percentage
 5-64 of the money from the pool allocated to a hospital or political
 5-65 subdivision that the hospital or political subdivision must use for
 5-66 strategies described by Subsection (b).

5-67 Sec. 531.505. INCREASING ACCESS TO HEALTH BENEFITS
 5-68 COVERAGE. (a) Except as otherwise provided by the terms of a
 5-69 waiver authorized by Section 531.501, money in the Texas health

6-1 opportunity pool that is available to reduce the number of persons
 6-2 in this state who do not have health benefits coverage or to reduce
 6-3 the need for uncompensated health care provided by hospitals in
 6-4 this state may be used for purposes relating to increasing access to
 6-5 health benefits coverage for low-income persons, including:

6-6 (1) providing premium payment assistance to those
 6-7 persons through a premium payment assistance program developed
 6-8 under this section;

6-9 (2) making contributions to health savings accounts
 6-10 for those persons; and

6-11 (3) providing other financial assistance to those
 6-12 persons through alternate mechanisms established by hospitals in
 6-13 this state or political subdivisions of this state that meet
 6-14 certain criteria, as specified by the commission.

6-15 (b) The commission and the Texas Department of Insurance
 6-16 shall jointly develop a premium payment assistance program designed
 6-17 to assist persons described by Subsection (a) in obtaining and
 6-18 maintaining health benefits coverage. The program may provide
 6-19 assistance in the form of payments for all or part of the premiums
 6-20 for that coverage. In developing the program, the executive
 6-21 commissioner shall adopt rules establishing:

6-22 (1) eligibility criteria for the program;

6-23 (2) the amount of premium payment assistance that will
 6-24 be provided under the program;

6-25 (3) the process by which that assistance will be paid;
 6-26 and

6-27 (4) the mechanism for measuring and reporting the
 6-28 number of persons who obtained health insurance or other health
 6-29 benefits coverage as a result of the program.

6-30 (c) The commission shall implement the premium payment
 6-31 assistance program developed under Subsection (b), subject to
 6-32 appropriations for that purpose.

6-33 Sec. 531.506. INFRASTRUCTURE IMPROVEMENTS. (a) Except as
 6-34 otherwise provided by the terms of a waiver authorized by Section
 6-35 531.501 and subject to Subsection (c), money in the Texas health
 6-36 opportunity pool may be used for purposes related to developing and
 6-37 implementing initiatives to improve the infrastructure of local
 6-38 provider networks that provide services to Medicaid recipients and
 6-39 low-income uninsured persons in this state.

6-40 (b) Infrastructure improvements under this section may
 6-41 include developing and implementing a system for maintaining
 6-42 medical records in an electronic format.

6-43 (c) Not more than 10 percent of the total amount of the money
 6-44 in the pool used in a state fiscal year for purposes other than
 6-45 providing reimbursements to hospitals for uncompensated health
 6-46 care may be used for infrastructure improvements described by
 6-47 Subsection (b).

6-48 (b) If the executive commissioner of the Health and Human
 6-49 Services Commission obtains federal approval for a waiver under
 6-50 Section 531.501, Government Code, as added by this Act, the
 6-51 executive commissioner shall submit a report to the Legislative
 6-52 Budget Board that outlines the components and terms of that waiver
 6-53 as soon as possible after federal approval is granted.

6-54 SECTION 4. (a) Chapter 531, Government Code, is amended by
 6-55 adding Subchapter O to read as follows:

6-56 SUBCHAPTER O. UNCOMPENSATED HOSPITAL CARE

6-57 Sec. 531.551. UNCOMPENSATED HOSPITAL CARE REPORTING AND
 6-58 ANALYSIS. (a) The executive commissioner shall adopt rules
 6-59 providing for:

6-60 (1) a standard definition of "uncompensated hospital
 6-61 care";

6-62 (2) a methodology to be used by hospitals in this state
 6-63 to compute the cost of that care that incorporates the standard set
 6-64 of adjustments described by Section 531.552(g)(4); and

6-65 (3) procedures to be used by those hospitals to report
 6-66 the cost of that care to the commission and to analyze that cost.

6-67 (b) The rules adopted by the executive commissioner under
 6-68 Subsection (a)(3) may provide for procedures by which the
 6-69 commission may periodically verify the completeness and accuracy of

7-1 the information reported by hospitals.

7-2 (c) The commission shall notify the attorney general of a
 7-3 hospital's failure to report the cost of uncompensated care on or
 7-4 before the date the report was due in accordance with rules adopted
 7-5 under Subsection (a)(3). On receipt of the notice, the attorney
 7-6 general shall impose an administrative penalty on the hospital in
 7-7 the amount of \$1,000 for each day after the date the report was due
 7-8 that the hospital has not submitted the report, not to exceed
 7-9 \$10,000.

7-10 (d) If the commission determines through the procedures
 7-11 adopted under Subsection (b) that a hospital submitted a report
 7-12 with incomplete or inaccurate information, the commission shall
 7-13 notify the hospital of the specific information the hospital must
 7-14 submit and prescribe a date by which the hospital must provide that
 7-15 information. If the hospital fails to submit the specified
 7-16 information on or before the date prescribed by the commission, the
 7-17 commission shall notify the attorney general of that failure. On
 7-18 receipt of the notice, the attorney general shall impose an
 7-19 administrative penalty on the hospital in an amount not to exceed
 7-20 \$10,000. In determining the amount of the penalty to be imposed,
 7-21 the attorney general shall consider:

7-22 (1) the seriousness of the violation;

7-23 (2) whether the hospital had previously committed a
 7-24 violation; and

7-25 (3) the amount necessary to deter the hospital from
 7-26 committing future violations.

7-27 (e) A report by the commission to the attorney general under
 7-28 Subsection (c) or (d) must state the facts on which the commission
 7-29 based its determination that the hospital failed to submit a report
 7-30 or failed to completely and accurately report information, as
 7-31 applicable.

7-32 (f) The attorney general shall give written notice of the
 7-33 commission's report to the hospital alleged to have failed to
 7-34 comply with a requirement. The notice must include a brief summary
 7-35 of the alleged violation, a statement of the amount of the
 7-36 administrative penalty to be imposed, and a statement of the
 7-37 hospital's right to a hearing on the alleged violation, the amount
 7-38 of the penalty, or both.

7-39 (g) Not later than the 20th day after the date the notice is
 7-40 sent under Subsection (f), the hospital must make a written request
 7-41 for a hearing or remit the amount of the administrative penalty to
 7-42 the attorney general. Failure to timely request a hearing or remit
 7-43 the amount of the administrative penalty results in a waiver of the
 7-44 right to a hearing under this section. If the hospital timely
 7-45 requests a hearing, the attorney general shall conduct the hearing
 7-46 in accordance with Chapter 2001, Government Code. If the hearing
 7-47 results in a finding that a violation has occurred, the attorney
 7-48 general shall:

7-49 (1) provide to the hospital written notice of:

7-50 (A) the findings established at the hearing; and

7-51 (B) the amount of the penalty; and

7-52 (2) enter an order requiring the hospital to pay the
 7-53 amount of the penalty.

7-54 (h) Not later than the 30th day after the date the hospital
 7-55 receives the order entered by the attorney general under Subsection
 7-56 (g), the hospital shall:

7-57 (1) pay the amount of the administrative penalty;

7-58 (2) remit the amount of the penalty to the attorney
 7-59 general for deposit in an escrow account and file a petition for
 7-60 judicial review contesting the occurrence of the violation, the
 7-61 amount of the penalty, or both; or

7-62 (3) without paying the amount of the penalty, file a
 7-63 petition for judicial review contesting the occurrence of the
 7-64 violation, the amount of the penalty, or both and file with the
 7-65 court a sworn affidavit stating that the hospital is financially
 7-66 unable to pay the amount of the penalty.

7-67 (i) The attorney general's order is subject to judicial
 7-68 review as a contested case under Chapter 2001, Government Code.

7-69 (j) If the hospital paid the penalty and on review the court

8-1 does not sustain the occurrence of the violation or finds that the
 8-2 amount of the administrative penalty should be reduced, the
 8-3 attorney general shall remit the appropriate amount to the hospital
 8-4 not later than the 30th day after the date the court's judgment
 8-5 becomes final.

8-6 (k) If the court sustains the occurrence of the violation:

8-7 (1) the court:

8-8 (A) shall order the hospital to pay the amount of
 8-9 the administrative penalty; and

8-10 (B) may award to the attorney general the
 8-11 attorney's fees and court costs incurred by the attorney general in
 8-12 defending the action; and

8-13 (2) the attorney general shall remit the amount of the
 8-14 penalty to the comptroller for deposit in the general revenue fund.

8-15 (1) If the hospital does not pay the amount of the
 8-16 administrative penalty after the attorney general's order becomes
 8-17 final for all purposes, the attorney general may enforce the
 8-18 penalty as provided by law for legal judgments.

8-19 Sec. 531.552. WORK GROUP ON UNCOMPENSATED HOSPITAL CARE.

8-20 (a) In this section, "work group" means the work group on
 8-21 uncompensated hospital care.

8-22 (b) The executive commissioner shall establish the work
 8-23 group on uncompensated hospital care to assist the executive
 8-24 commissioner in developing rules required by Section 531.551 by
 8-25 performing the functions described by Subsection (g).

8-26 (c) The executive commissioner shall determine the number
 8-27 of members of the work group. The executive commissioner shall
 8-28 ensure that the work group includes representatives from the office
 8-29 of the attorney general and the hospital industry. A member of the
 8-30 work group serves at the will of the executive commissioner.

8-31 (d) The executive commissioner shall designate a member of
 8-32 the work group to serve as presiding officer. The members of the
 8-33 work group shall elect any other necessary officers.

8-34 (e) The work group shall meet at the call of the executive
 8-35 commissioner.

8-36 (f) A member of the work group may not receive compensation
 8-37 for serving on the work group but is entitled to reimbursement for
 8-38 travel expenses incurred by the member while conducting the
 8-39 business of the work group as provided by the General
 8-40 Appropriations Act.

8-41 (g) The work group shall study and advise the executive
 8-42 commissioner in:

8-43 (1) identifying the number of different reports
 8-44 required to be submitted to the state that address uncompensated
 8-45 hospital care, care for low-income uninsured persons in this state,
 8-46 or both;

8-47 (2) standardizing the definitions used to determine
 8-48 uncompensated hospital care for purposes of those reports;

8-49 (3) improving the tracking of hospital charges, costs,
 8-50 and adjustments as those charges, costs, and adjustments relate to
 8-51 identifying uncompensated hospital care and maintaining a
 8-52 hospital's tax-exempt status;

8-53 (4) developing and applying a standard set of
 8-54 adjustments to a hospital's initial computation of the cost of
 8-55 uncompensated hospital care that account for all funding streams
 8-56 that:

8-57 (A) are not patient-specific; and

8-58 (B) are used to offset the hospital's initially
 8-59 computed amount of uncompensated care;

8-60 (5) developing a standard and comprehensive center for
 8-61 data analysis and reporting with respect to uncompensated hospital
 8-62 care; and

8-63 (6) analyzing the effect of the standardization of the
 8-64 definition of uncompensated hospital care and the computation of
 8-65 its cost, as determined in accordance with the rules adopted by the
 8-66 executive commissioner, on the laws of this state, and analyzing
 8-67 potential legislation to incorporate the changes made by the
 8-68 standardization.

8-69 (b) The executive commissioner of the Health and Human

9-1 Services Commission shall:

9-2 (1) establish the work group on uncompensated hospital
 9-3 care required by Section 531.552, Government Code, as added by this
 9-4 section, not later than October 1, 2007; and

9-5 (2) adopt the rules required by Section 531.551,
 9-6 Government Code, as added by this section, not later than March 1,
 9-7 2008.

9-8 (c) The executive commissioner of the Health and Human
 9-9 Services Commission shall review the methodology used under the
 9-10 Medicaid disproportionate share hospitals supplemental payment
 9-11 program to compute low-income utilization costs to ensure that the
 9-12 Medicaid disproportionate share methodology is consistent with the
 9-13 standardized adjustments to uncompensated care costs described by
 9-14 Subdivision (4), Subsection (g), Section 531.552, Government Code,
 9-15 as added by this Act, and adopted by the executive commissioner.

9-16 SECTION 5. (a) Subchapter A, Chapter 533, Government Code,
 9-17 is amended by adding Section 533.019 to read as follows:

9-18 Sec. 533.019. VALUE-ADDED SERVICES. The commission shall
 9-19 actively encourage managed care organizations that contract with
 9-20 the commission to offer benefits, including health care services or
 9-21 benefits or other types of services, that:

9-22 (1) are in addition to the services ordinarily covered
 9-23 by the managed care plan offered by the managed care organization;
 9-24 and

9-25 (2) have the potential to improve the health status of
 9-26 enrollees in the plan.

9-27 (b) The changes in law made by Section 533.019, Government
 9-28 Code, as added by this Act, apply to a contract between the Health
 9-29 and Human Services Commission and a managed care organization under
 9-30 Chapter 533, Government Code, that is entered into or renewed on or
 9-31 after the effective date of this section. The commission shall seek
 9-32 to amend contracts entered into with managed care organizations
 9-33 under that chapter before the effective date of this Act to
 9-34 authorize those managed care organizations to offer value-added
 9-35 services to enrollees in accordance with Section 533.019,
 9-36 Government Code, as added by this section.

9-37 SECTION 6. Section 32.0422, Human Resources Code, is
 9-38 amended to read as follows:

9-39 Sec. 32.0422. HEALTH INSURANCE PREMIUM PAYMENT
 9-40 REIMBURSEMENT PROGRAM FOR MEDICAL ASSISTANCE RECIPIENTS. (a) In
 9-41 this section:

9-42 (1) "Commission" [~~"Department"~~] means the Health and
 9-43 Human Services Commission [~~Texas Department of Health~~].

9-44 (2) "Executive commissioner" means the executive
 9-45 commissioner of the Health and Human Services Commission.

9-46 (3) "Group health benefit plan" means a plan described
 9-47 by Section 1207.001, Insurance Code.

9-48 (b) The commission [~~department~~] shall identify individuals,
 9-49 otherwise entitled to medical assistance, who are eligible to
 9-50 enroll in a group health benefit plan. The commission [~~department~~]
 9-51 must include individuals eligible for or receiving health care
 9-52 services under a Medicaid managed care delivery system.

9-53 (b-1) To assist the commission in identifying individuals
 9-54 described by Subsection (b):

9-55 (1) the commission shall include on an application for
 9-56 medical assistance and on a form for recertification of a
 9-57 recipient's eligibility for medical assistance:

9-58 (A) an inquiry regarding whether the applicant or
 9-59 recipient, as applicable, is eligible to enroll in a group health
 9-60 benefit plan; and

9-61 (B) a statement informing the applicant or
 9-62 recipient, as applicable, that reimbursements for required
 9-63 premiums and cost-sharing obligations under the group health
 9-64 benefit plan may be available to the applicant or recipient; and

9-65 (2) not later than the 15th day of each month, the
 9-66 office of the attorney general shall provide to the commission the
 9-67 name, address, and social security number of each newly hired
 9-68 employee reported to the state directory of new hires operated
 9-69 under Chapter 234, Family Code, during the previous calendar month.

10-1 (c) The commission [department] shall require an individual
 10-2 requesting medical assistance or a recipient, during the
 10-3 recipient's eligibility recertification review, to provide
 10-4 information as necessary relating to any [the availability of a]
 10-5 group health benefit plan that is available to the individual or
 10-6 recipient through an employer of the individual or recipient or an
 10-7 employer of the individual's or recipient's spouse or parent to
 10-8 assist the commission in making the determination required by
 10-9 Subsection (d).

10-10 (d) For an individual identified under Subsection (b), the
 10-11 commission [department] shall determine whether it is
 10-12 cost-effective to enroll the individual in the group health benefit
 10-13 plan under this section.

10-14 (e) If the commission [department] determines that it is
 10-15 cost-effective to enroll the individual in the group health benefit
 10-16 plan, the commission [department] shall:

10-17 (1) require the individual to apply to enroll in the
 10-18 group health benefit plan as a condition for eligibility under the
 10-19 medical assistance program; and

10-20 (2) provide written notice to the issuer of the group
 10-21 health benefit plan in accordance with Chapter 1207, Insurance
 10-22 Code.

10-23 (e-1) This subsection applies only to an individual who is
 10-24 identified under Subsection (b) as being eligible to enroll in a
 10-25 group health benefit plan offered by the individual's employer. If
 10-26 the commission determines under Subsection (d) that enrolling the
 10-27 individual in the group health benefit plan is not cost-effective,
 10-28 but the individual prefers to enroll in that plan instead of
 10-29 receiving benefits and services under the medical assistance
 10-30 program, the commission, if authorized by a waiver obtained under
 10-31 federal law, shall:

10-32 (1) allow the individual to voluntarily opt out of
 10-33 receiving services through the medical assistance program and
 10-34 enroll in the group health benefit plan;

10-35 (2) consider that individual to be a recipient of
 10-36 medical assistance; and

10-37 (3) provide written notice to the issuer of the group
 10-38 health benefit plan in accordance with Chapter 1207, Insurance
 10-39 Code.

10-40 (f) Except as provided by Subsection (f-1), the commission
 10-41 [The department] shall provide for payment of:

10-42 (1) the employee's share of required premiums for
 10-43 coverage of an individual enrolled in the group health benefit
 10-44 plan; and

10-45 (2) any deductible, copayment, coinsurance, or other
 10-46 cost-sharing obligation imposed on the enrolled individual for an
 10-47 item or service otherwise covered under the medical assistance
 10-48 program.

10-49 (f-1) For an individual described by Subsection (e-1) who
 10-50 enrolls in a group health benefit plan, the commission shall
 10-51 provide for payment of the employee's share of the required
 10-52 premiums, except that if the employee's share of the required
 10-53 premiums exceeds the total estimated Medicaid costs for the
 10-54 individual, as determined by the executive commissioner, the
 10-55 individual shall pay the difference between the required premiums
 10-56 and those estimated costs. The individual shall also pay all
 10-57 deductibles, copayments, coinsurance, and other cost-sharing
 10-58 obligations imposed on the individual under the group health
 10-59 benefit plan.

10-60 (g) A payment made by the commission [department] under
 10-61 Subsection (f) or (f-1) is considered to be a payment for medical
 10-62 assistance.

10-63 (h) A payment of a premium for an individual who is a member
 10-64 of the family of an individual enrolled in a group health benefit
 10-65 plan under Subsection (e) [this section] and who is not eligible for
 10-66 medical assistance is considered to be a payment for medical
 10-67 assistance for an eligible individual if:

10-68 (1) enrollment of the family members who are eligible
 10-69 for medical assistance is not possible under the plan without also

11-1 enrolling members who are not eligible; and
 11-2 (2) the commission [~~department~~] determines it to be
 11-3 cost-effective.

11-4 (i) A payment of any deductible, copayment, coinsurance, or
 11-5 other cost-sharing obligation of a family member who is enrolled in
 11-6 a group health benefit plan in accordance with Subsection (h) and
 11-7 who is not eligible for medical assistance:

11-8 (1) may not be paid under this chapter; and
 11-9 (2) is not considered to be a payment for medical
 11-10 assistance for an eligible individual.

11-11 (i-1) The commission shall make every effort to expedite
 11-12 payments made under this section, including by ensuring that those
 11-13 payments are made through electronic transfers of money to the
 11-14 recipient's account at a financial institution, if possible. In
 11-15 lieu of reimbursing the individual enrolled in the group health
 11-16 benefit plan for required premium or cost-sharing payments made by
 11-17 the individual, the commission may, if feasible:

11-18 (1) make payments under this section for required
 11-19 premiums directly to the employer providing the group health
 11-20 benefit plan in which an individual is enrolled; or

11-21 (2) make payments under this section for required
 11-22 premiums and cost-sharing obligations directly to the group health
 11-23 benefit plan issuer.

11-24 (j) The commission [~~department~~] shall treat coverage under
 11-25 the group health benefit plan as a third party liability to the
 11-26 program. Subject to Subsection (j-1), enrollment [~~Enrollment~~]
 11-27 of an individual in a group health benefit plan under this section does
 11-28 not affect the individual's eligibility for medical assistance
 11-29 benefits, except that the state is entitled to payment under
 11-30 Sections 32.033 and 32.038.

11-31 (j-1) An individual described by Subsection (e-1) who
 11-32 enrolls in a group health benefit plan is not ineligible for
 11-33 community-based services provided under a Section 1915(c) waiver
 11-34 program or another federal waiver program solely based on the
 11-35 individual's enrollment in the group health benefit plan, and the
 11-36 individual may receive those services if the individual is
 11-37 otherwise eligible for the program. The individual is otherwise
 11-38 limited to the health benefits coverage provided under the health
 11-39 benefit plan in which the individual is enrolled, and the
 11-40 individual may not receive any benefits or services under the
 11-41 medical assistance program other than the premium payment as
 11-42 provided by Subsection (f-1) and, if applicable, waiver program
 11-43 services described by this subsection.

11-44 (k) The commission [~~department~~] may not require or permit an
 11-45 individual who is enrolled in a group health benefit plan under this
 11-46 section to participate in the Medicaid managed care program under
 11-47 Chapter 533, Government Code, or a Medicaid managed care
 11-48 demonstration project under Section 32.041.

11-49 (l) The commission, in consultation with the Texas
 11-50 Department of Insurance, shall provide training to agents who hold
 11-51 a general life, accident, and health license under Chapter 4054,
 11-52 Insurance Code, regarding the health insurance premium payment
 11-53 reimbursement program and the eligibility requirements for
 11-54 participation in the program. Participation in a training program
 11-55 established under this subsection is voluntary, and a general life,
 11-56 accident, and health agent who successfully completes the training
 11-57 is entitled to receive continuing education credit under Subchapter
 11-58 B, Chapter 4004, Insurance Code, in accordance with rules adopted
 11-59 by the commissioner of insurance.

11-60 (m) The commission may pay a referral fee, in an amount
 11-61 determined by the commission, to each general life, accident, and
 11-62 health agent who, after completion of the training program
 11-63 established under Subsection (l), successfully refers an eligible
 11-64 individual to the commission for enrollment in a [~~Texas Department~~
 11-65 of Human Services shall provide information and otherwise cooperate
 11-66 with the department as necessary to ensure the enrollment of
 11-67 eligible individuals in the] group health benefit plan under this
 11-68 section.

11-69 (n) The commission shall develop procedures by which an

12-1 individual described by Subsection (e-1) who enrolls in a group
 12-2 health benefit plan may, at the individual's option, resume
 12-3 receiving benefits and services under the medical assistance
 12-4 program instead of the group health benefit plan.

12-5 (o) The executive commissioner [~~department~~] shall adopt
 12-6 rules as necessary to implement this section.

12-7 SECTION 7. Subchapter B, Chapter 32, Human Resources Code,
 12-8 is amended by adding Section 32.0641 to read as follows:

12-9 Sec. 32.0641. COST SHARING FOR CERTAIN HIGH-COST MEDICAL
 12-10 SERVICES. If the department determines that it is feasible and
 12-11 cost-effective, and to the extent permitted under Title XIX, Social
 12-12 Security Act (42 U.S.C. Section 1396 et seq.) and any other
 12-13 applicable law or regulation or under a federal waiver or other
 12-14 authorization, the executive commissioner of the Health and Human
 12-15 Services Commission shall adopt cost-sharing provisions that
 12-16 require a recipient who chooses a high-cost medical service
 12-17 provided through a hospital emergency room to pay a copayment,
 12-18 premium payment, or other cost-sharing payment for the high-cost
 12-19 medical service if:

12-20 (1) the hospital from which the recipient seeks
 12-21 service:

12-22 (A) performs an appropriate medical screening
 12-23 and determines that the recipient does not have a condition
 12-24 requiring emergency medical services;

12-25 (B) informs the recipient:

12-26 (i) that the recipient does not have a
 12-27 condition requiring emergency medical services;

12-28 (ii) that, if the hospital provides the
 12-29 nonemergency service, the hospital may require payment of a
 12-30 copayment, premium payment, or other cost-sharing payment by the
 12-31 recipient in advance; and

12-32 (iii) of the name and address of a
 12-33 nonemergency Medicaid provider who can provide the appropriate
 12-34 medical service without imposing a cost-sharing payment; and

12-35 (C) offers to provide the recipient with a
 12-36 referral to the nonemergency provider to facilitate scheduling of
 12-37 the service; and

12-38 (2) after receiving the information and assistance
 12-39 described by Subdivision (1) from the hospital, the recipient
 12-40 chooses to obtain emergency medical services despite having access
 12-41 to medically acceptable, lower-cost medical services.

12-42 SECTION 8. (a) The heading to Subtitle C, Title 2, Health
 12-43 and Safety Code, is amended to read as follows:

12-44 SUBTITLE C. PROGRAMS PROVIDING [~~INDICENT~~] HEALTH CARE BENEFITS AND
 12-45 SERVICES

12-46 (b) Subtitle C, Title 2, Health and Safety Code, is amended
 12-47 by adding Chapter 76 to read as follows:

 13-24 federal matching funds provided through Medicaid and the child

 13-27 intergovernmental transfers from local governments; and

 13-39 law, an employee who participates in a multiple share program may be
 13-40 required to pay:

13-41 (1) a share of the premium;

13-42 (2) copayments;

13-43 (3) coinsurance; and

 13-56 in multiple share programs of partnering entities; and

13-57 (6) determine how a multiple share program participant
 13-58 may continue program coverage if the participant leaves the
 13-59 employment of a participating employer or becomes ineligible due to
 13-60 income.

13-61 (c) Not later than January 1, 2008, the executive
 13-62 commissioner of the Health and Human Services Commission shall

14-4 SECTION 9. (a) In this section, "committee" means the
14-5 committee on health and long-term care insurance incentives.

14-6 (b) The committee on health and long-term care insurance
14-7 incentives is established to study and develop recommendations
14-8 regarding methods by which this state may reduce the need for
14-9 residents of this state to rely on the Medicaid program by providing
14-10 incentives for employers to provide health insurance, long-term
14-11 care insurance, or both, to their employees.

14-12 (c) The committee on health and long-term care insurance
14-13 incentives is composed of:

14-18 (C) the Senate Committee on State Affairs; and

14-19 (D) the House Committee on Insurance;

14-20 (2) three public members, appointed by the governor,
14-21 who collectively represent the diversity of businesses in this
14-22 state, including diversity with respect to:

14-23 (A) the geographic regions in which those
14-24 businesses are located;

14-25 (B) the types of industries in which those
14-26 businesses are engaged; and

14-27 (C) the sizes of those businesses, as determined
14-28 by number of employees; and

14-29 (3) the following ex officio members:

14-30 (A) the comptroller of public accounts;

14-31 (B) the commissioner of insurance; and

14-32 (C) the executive commissioner of the Health and
14-33 Human Services Commission.

14-34 (d) The committee shall elect a presiding officer from the
14-35 committee members and shall meet at the call of the presiding
14-36 officer.

14-37 (e) The committee shall study and develop recommendations
14-38 regarding incentives this state may provide to employers to
14-39 encourage those employers to provide health insurance, long-term
14-40 care insurance, or both, to employees who would otherwise rely on
14-41 the Medicaid program to meet their health and long-term care needs.
14-42 In conducting the study, the committee shall:

14-43 (1) examine the feasibility and determine the cost of
14-44 providing incentives through:

14-45 (A) the franchise tax under Chapter 171, Tax
