SECTION _____. Subchapter D, Chapter 30A, Education Code, is amended by adding Section 30A.153 to read as follows:

Sec. 30A.153. FOUNDATION SCHOOL PROGRAM FUNDING. (a) A school district or open-enrollment charter school in which a student is enrolled is entitled to funding under Chapter 42 for the student's enrollment in an electronic course offered through the state virtual school network in the same manner that the district or school is entitled to funding for the student's enrollment in courses provided in a traditional classroom setting, provided that the student successfully completes the electronic course.

(b) The commissioner, after considering comments from school district and open-enrollment charter school representatives, shall adopt a standard agreement that governs payment of funds and other matters relating to a student's enrollment in an electronic course offered through the state virtual school network. The agreement may not require a school district or open-enrollment charter school to pay the provider the full amount until the student has successfully completed the electronic course.

(c) A school district or open-enrollment charter school shall use the standard agreement adopted under Subsection (b) unless:

(1) the district or school requests from the commissioner permission to modify the standard agreement; and

(2) the commissioner authorizes the modification.

(d) The commissioner shall adopt rules necessary to implement this section, including rules regarding attendance accounting.

SECTION _____. Section 42.302(a), Education Code, is amended to read as follows:

(a) Each school district is guaranteed a specified amount per weighted student in state and local funds for each cent of tax effort over that required for the district's local fund assignment up to the maximum level specified in this subchapter. The amount

of state support, subject only to the maximum amount under Section 42.303, is determined by the formula:

$$\text{GYA} = (\text{GL} \times \text{WADA} \times \text{DTR} \times 100) - \text{LR}$$

where:

"GYA" is the guaranteed yield amount of state funds to be allocated to the district;

"GL" is the dollar amount guaranteed level of state and local funds per weighted student per cent of tax effort, which is an amount described by Subsection (a-1) or a greater amount for any year provided by appropriation;

"WADA" is the number of students in weighted average daily attendance, which is calculated by dividing the sum of the school district's allotments under Subchapters B and C, less any allotment to the district for transportation, any allotment under Section 42.158[~~42.159~~] or 42.160, and 50 percent of the adjustment under Section 42.102, by the basic allotment for the applicable year;

"DTR" is the district enrichment tax rate of the school district, which is determined by subtracting the amounts specified by Subsection (b) from the total amount of maintenance and operations taxes collected by the school district for the applicable school year and dividing the difference by the quotient of the district's taxable value of property as determined under Subchapter M, Chapter 403, Government Code, or, if applicable, under Section 42.2521, divided by 100; and

"LR" is the local revenue, which is determined by multiplying "DTR" by the quotient of the district's taxable value of property as determined under Subchapter M, Chapter 403, Government Code, or, if applicable, under Section 42.2521, divided by 100.

SECTION _____. Section 42.159, Education Code, is repealed.
