**The House Public Education Committee will meet to consider the following interim charge.**

Review and make recommendations on the effectiveness of Disciplinary Alternative Education Programs (DAEPs) and Juvenile Justice Alternative Education Programs (JJAEPs) in reducing students' involvement in further disciplinary infractions. Determine the appropriate role of disciplinary alternative placements in promoting education achievement and how technology could be used to supplement education services. Consider appropriate placements in DAEPs or JJAEPs and consistent funding models for those programs. Consider options for counties without a JJAEP or inefficiently few placements in a JJAEP. Identify positive behavioral models that promote a learning environment for teachers to appropriately instruct while addressing any behavioral issues and enforcing student discipline.
