A BILL TO BE ENTITLED

AN ACT

relating to investigations of and payment holds relating to
allegations of fraud or abuse and investigations of and hearings on
overpayments and other amounts owed by providers in connection with
the Medicaid program or other health and human services programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 531.1011, Government Code, is amended to
read as follows:

Sec. 531.1011. DEFINITIONS. For purposes of this
subchapter:

(1) "Abuse" means:

(A) a practice by a provider that is inconsistent
with sound fiscal, business, or medical practices and that results
in:

(i) an unnecessary cost to the Medicaid
program; or

(ii) the reimbursement of services that are
not medically necessary or that fail to meet professionally
recognized standards for health care; or

(B) a practice by a recipient that results in an
unnecessary cost to the Medicaid program.

(2) "Allegation of fraud" means an allegation of
Medicaid fraud received by the commission from any source that has
not been verified by the state, including an allegation based on:

1 (A) a fraud hotline complaint;

2 (B) claims data mining;

3 (C) data analysis processes; or

4 (D) a pattern identified through provider
5 audits, civil false claims cases, or law enforcement
6 investigations.

7 (3) "Credible allegation of fraud" means an allegation
8 of fraud that has been verified by the state. An allegation is
9 considered to be credible when the commission has:

10 (A) verified that the allegation has indicia of
11 reliability; and

12 (B) reviewed all allegations, facts, and
13 evidence carefully and acts judiciously on a case-by-case basis.

14 (4) "Fraud" means an intentional deception or
15 misrepresentation made by a person with the knowledge that the
16 deception could result in some unauthorized benefit to that person
17 or some other person, including any act that constitutes fraud
18 under applicable federal or state law.

19 (5) [~~(2)~~] "Furnished" refers to items or services
20 provided directly by, or under the direct supervision of, or
21 ordered by a practitioner or other individual (either as an
22 employee or in the individual's own capacity), a provider, or other
23 supplier of services, excluding services ordered by one party but
24 billed for and provided by or under the supervision of another.

25 (6) "Payment hold" [~~(3) "Hold on payment"~~] means the
26 temporary denial of reimbursement under the Medicaid program for
27 items or services furnished by a specified provider.

1 (7) [~~(4)~~] "Practitioner" means a physician or other
2 individual licensed under state law to practice the individual's
3 profession.

4 (8) [~~(5)~~] "Program exclusion" means the suspension of
5 a provider from being authorized under the Medicaid program to
6 request reimbursement of items or services furnished by that
7 specific provider.

8 (9) [~~(6)~~] "Provider" means a person, firm,
9 partnership, corporation, agency, association, institution, or
10 other entity that was or is approved by the commission to:

11 (A) provide medical assistance under contract or
12 provider agreement with the commission; or

13 (B) provide third-party billing vendor services
14 under a contract or provider agreement with the commission.

15 SECTION 2. Section 531.102, Government Code, is amended by
16 amending Subsections (f) and (g) and adding Subsections (l), (m),
17 (n), (o), and (p) to read as follows:

18 (f)(1) If the commission receives a complaint or allegation
19 of Medicaid fraud or abuse from any source, the office must conduct
20 a preliminary investigation as provided by Section 531.118(c) [~~an~~
21 ~~integrity review~~] to determine whether there is a sufficient basis
22 to warrant a full investigation. A preliminary investigation [~~An~~
23 ~~integrity review~~] must begin not later than the 30th day after the
24 date the commission receives a complaint or allegation or has
25 reason to believe that fraud or abuse has occurred. A preliminary
26 investigation [~~An integrity review~~] shall be completed not later
27 than the 90th day after it began.

1 (2) If the findings of a preliminary investigation [~~an~~
2 ~~integrity review~~] give the office reason to believe that an
3 incident of fraud or abuse involving possible criminal conduct has
4 occurred in the Medicaid program, the office must take the
5 following action, as appropriate, not later than the 30th day after
6 the completion of the preliminary investigation [~~integrity~~
7 ~~review~~]:

8 (A) if a provider is suspected of fraud or abuse
9 involving criminal conduct, the office must refer the case to the
10 state's Medicaid fraud control unit, provided that the criminal
11 referral does not preclude the office from continuing its
12 investigation of the provider, which investigation may lead to the
13 imposition of appropriate administrative or civil sanctions; or

14 (B) if there is reason to believe that a
15 recipient has defrauded the Medicaid program, the office may
16 conduct a full investigation of the suspected fraud, subject to
17 Section 531.118(c).

18 (g)(1) Whenever the office learns or has reason to suspect
19 that a provider's records are being withheld, concealed, destroyed,
20 fabricated, or in any way falsified, the office shall immediately
21 refer the case to the state's Medicaid fraud control unit. However,
22 such criminal referral does not preclude the office from continuing
23 its investigation of the provider, which investigation may lead to
24 the imposition of appropriate administrative or civil sanctions.

25 (2) In addition to other instances authorized under
26 state or federal law, the office shall impose without prior notice a
27 payment hold on [~~payment of~~] claims for reimbursement submitted by

1 a provider to compel production of records, when requested by the
2 state's Medicaid fraud control unit, or on the determination that a
3 credible allegation of fraud exists, subject to Subsections (l) and
4 (m), as applicable, and the criteria adopted under Subsection
5 (n)(3) [~~on receipt of reliable evidence that the circumstances~~
6 giving rise to the hold on payment involve fraud or wilful
7 misrepresentation under the state Medicaid program in accordance
8 with 42 C.F.R. Section 455.23, as applicable]. The office must
9 notify the provider of the payment hold [~~on payment~~] in accordance
10 with 42 C.F.R. Section 455.23(b). In addition to the requirements
11 of 42 C.F.R. Section 455.23(b), the notice of payment hold provided
12 under this subdivision must also include:

13 (A) the specific basis for the hold, including
14 identification of the claims supporting the allegation at that
15 point in the investigation and a representative sample of any
16 documents that form the basis for the hold; and

17 (B) a description of administrative and judicial
18 due process remedies, including the provider's right to seek
19 informal resolution, a formal administrative appeal hearing, or
20 both.

21 (3) On timely written request by a provider subject to
22 a payment hold [~~on payment~~] under Subdivision (2), other than a hold
23 requested by the state's Medicaid fraud control unit, the office
24 shall file a request with the State Office of Administrative
25 Hearings or the appeals division of the commission, as requested by
26 the provider, for an expedited administrative hearing regarding the
27 hold. The provider must request an expedited administrative

1 hearing under this subdivision not later than the 30th [~~10th~~] day
2 after the date the provider receives notice from the office under
3 Subdivision (2). Unless otherwise determined by the administrative
4 law judge for good cause at an expedited administrative hearing
5 before the State Office of Administrative Hearings under this
6 subdivision, the state and the provider shall each be responsible
7 for:

8 (A) one-half of the costs charged by the State
9 Office of Administrative Hearings;

10 (B) one-half of the costs for transcribing the
11 hearing;

12 (C) the party's own costs related to the hearing,
13 including the costs associated with preparation for the hearing,
14 discovery, depositions, and subpoenas, service of process and
15 witness expenses, travel expenses, and investigation expenses; and

16 (D) all other costs associated with the hearing
17 that are incurred by the party, including attorney's fees.

18 (4) The executive commissioner and the State Office of
19 Administrative Hearings shall jointly adopt rules that require a
20 provider, before an expedited administrative hearing before the
21 State Office of Administrative Hearings under Subdivision (3), to
22 advance security for the costs for which the provider is
23 responsible under that subdivision.

24 (5) Following an expedited administrative hearing
25 under Subdivision (3), a provider subject to a payment hold, other
26 than a hold requested by the state's Medicaid fraud control unit,
27 may appeal a final administrative order by filing a petition for

1 judicial review in a district court in Travis County.

2 (6) The executive commissioner [~~commission~~] shall
3 adopt rules that allow a provider subject to a [~~hold-on~~] payment
4 hold under Subdivision (2), other than a hold requested by the
5 state's Medicaid fraud control unit, to seek an informal resolution
6 of the issues identified by the office in the notice provided under
7 that subdivision. A provider must request [~~seek~~] an initial
8 informal resolution meeting under this subdivision not later than
9 the deadline prescribed by Subdivision (3) for requesting an
10 expedited administrative hearing. On receipt of a timely request,
11 the office shall schedule an initial informal resolution meeting
12 not later than the 60th day after the date the office receives the
13 request, but the office shall schedule the meeting on a later date,
14 as determined by the office, if requested by the provider. The
15 office shall give notice to the provider of the time and place of
16 the initial informal resolution meeting not later than the 30th day
17 before the date the meeting is to be held. A provider may request a
18 second informal resolution meeting not later than the 20th day
19 after the date of the initial informal resolution meeting. On
20 receipt of a timely request, the office shall schedule a second
21 informal resolution meeting not later than the 45th day after the
22 date the office receives the request, but the office shall schedule
23 the meeting on a later date, as determined by the office, if
24 requested by the provider. The office shall give notice to the
25 provider of the time and place of the second informal resolution
26 meeting not later than the 20th day before the date the meeting is
27 to be held. A provider must have an opportunity to provide

1 additional information before the second informal resolution
2 meeting for consideration by the office. A provider's decision to
3 seek an informal resolution under this subdivision does not extend
4 the time by which the provider must request an expedited
5 administrative hearing under Subdivision (3). However, a hearing
6 initiated under Subdivision (3) shall be stayed [~~at the office's~~
7 ~~request~~] until the informal resolution process is completed.

8 (7) [~~(5)~~] The office shall, in consultation with the
9 state's Medicaid fraud control unit, establish guidelines under
10 which payment holds [~~on payment~~] or program exclusions:

11 (A) may permissively be imposed on a provider; or

12 (B) shall automatically be imposed on a provider.

13 (1) The office shall employ a medical director who is a
14 licensed physician under Subtitle B, Title 3, Occupations Code, and
15 the rules adopted under that subtitle by the Texas Medical Board,
16 and who preferably has significant knowledge of the Medicaid
17 program. The medical director shall ensure that any investigative
18 findings based on medical necessity or the quality of medical care
19 have been reviewed by a qualified expert as described by the Texas
20 Rules of Evidence who preferably has knowledge of Medicaid program
21 rules and requirements before the office imposes a payment hold or
22 seeks recoupment of an overpayment, damages, or penalties.

23 (m) The office shall employ a dental director who is a
24 licensed dentist under Subtitle D, Title 3, Occupations Code, and
25 the rules adopted under that subtitle by the State Board of Dental
26 Examiners, and who preferably has significant knowledge of the
27 Medicaid program. The dental director shall ensure that any

1 investigative findings based on the necessity of dental services or
2 the quality of dental care have been reviewed by a qualified expert
3 as described by the Texas Rules of Evidence who preferably has
4 knowledge of Medicaid program rules and requirements before the
5 office imposes a payment hold or seeks recoupment of an
6 overpayment, damages, or penalties.

7 (n) The executive commissioner shall, in conjunction with
8 the office and in consultation with the state's Medicaid fraud
9 control unit, adopt rules for the office that establish:

10 (1) criteria for initiating a full fraud or abuse
11 investigation, conducting the investigation, and collecting
12 evidence;

13 (2) training requirements for Medicaid provider fraud
14 or abuse investigators; and

15 (3) criteria for determining, in accordance with state
16 and federal law, when good cause exists to:

17 (A) not impose a payment hold on a provider;

18 (B) discontinue a payment hold imposed on a
19 provider;

20 (C) partially discontinue a payment hold imposed
21 on a provider; and

22 (D) convert a full payment hold imposed on a
23 provider to a partial payment hold.

24 (o) In determining what constitutes good cause for purposes
25 of Subsection (n)(3), the executive commissioner shall consider:

26 (1) a specific request by a law enforcement agency
27 that the office not impose a payment hold on a provider or

1 discontinue a payment hold imposed on a provider;

2 (2) a determination by the office that other available
3 remedies implemented by the office or commission could more
4 effectively or quickly protect Medicaid funds than imposing or
5 continuing a payment hold;

6 (3) evidence submitted by a provider that convinces
7 the office that a payment hold should be discontinued or partially
8 imposed;

9 (4) a determination by the office that a Medicaid
10 recipient's access to items or services will be jeopardized by the
11 imposition of a payment hold;

12 (5) a determination by the office that a payment hold
13 should be discontinued because the state's Medicaid fraud control
14 unit or a law enforcement agency declines to cooperate in
15 certifying that the unit or agency is continuing to investigate the
16 credible allegation of fraud that is the basis of the payment hold;

17 (6) a determination by the office that imposing a full
18 or partial payment hold is not in the best interest of the Medicaid
19 program; and

20 (7) a determination by the office that a partial
21 payment hold will ensure that potentially fraudulent claims under
22 the Medicaid program will not be continued to be paid.

23 (p) An employee of the office may bring a whistleblower suit
24 in accordance with Chapter 554.

25 SECTION 3. Subchapter C, Chapter 531, Government Code, is
26 amended by adding Sections 531.118, 531.119, 531.120, 531.1201, and
27 531.1202 to read as follows:

1 Sec. 531.118. PRELIMINARY INVESTIGATIONS OF ALLEGATIONS OF
2 FRAUD OR ABUSE AND FRAUD REFERRALS. (a) The commission shall
3 maintain a record of all allegations of fraud or abuse against a
4 provider containing the date each allegation was received or
5 identified and the source of the allegation, if available. The
6 record is confidential under Section 531.1021(g) and is subject to
7 Section 531.1021(h).

8 (b) If the commission receives an allegation of fraud or
9 abuse against a provider from any source, the commission's office
10 of inspector general shall conduct a preliminary investigation of
11 the allegation as provided by Section 531.102(f)(1).

12 (c) In conducting a preliminary investigation, the office
13 must review the allegations of fraud or abuse and all facts and
14 evidence relating to the allegation and must prepare a preliminary
15 investigation report before the allegation of fraud or abuse may
16 proceed to a full investigation. The preliminary investigation
17 report must document the allegation, the evidence reviewed, if
18 available, the procedures used to conduct the preliminary
19 investigation, the findings of the preliminary investigation, and
20 the office's determination of whether a full investigation is
21 warranted.

22 (d) If the state's Medicaid fraud control unit or any other
23 law enforcement agency accepts a fraud referral from the office for
24 investigation, a payment hold based on a credible allegation of
25 fraud may be continued until:

26 (1) that investigation and any associated enforcement
27 proceedings are complete; or

1 (2) the state's Medicaid fraud control unit, another
2 law enforcement agency, or other prosecuting authorities determine
3 that there is insufficient evidence of fraud by the provider.

4 (e) If the state's Medicaid fraud control unit or any other
5 law enforcement agency declines to accept a fraud referral from the
6 office for investigation, a payment hold based on a credible
7 allegation of fraud must be discontinued unless the commission has
8 alternative federal or state authority under which it may impose a
9 payment hold or the office makes a fraud referral to another law
10 enforcement agency.

11 (f) On a quarterly basis, the office must request a
12 certification from the state's Medicaid fraud control unit and
13 other law enforcement agencies as to whether each matter accepted
14 by the unit or agency on the basis of a credible allegation of fraud
15 referral continues to be under investigation and that the
16 continuation of the payment hold is warranted.

17 Sec. 531.119. WEBSITE POSTING. The commission's office of
18 inspector general shall post on its publicly available website a
19 description in plain English of, and a video explaining, the
20 processes and procedures the office uses to determine whether to
21 impose a payment hold on a provider under this subchapter.

22 Sec. 531.120. NOTICE AND INFORMAL RESOLUTION OF PROPOSED
23 RECOUPMENT OF OVERPAYMENT OR DEBT. (a) The commission or the
24 commission's office of inspector general shall provide a provider
25 with written notice of any proposed recoupment of an overpayment or
26 debt and any damages or penalties relating to a proposed recoupment
27 of an overpayment or debt arising out of a fraud or abuse

1 investigation. The notice must include:

2 (1) the specific basis for the overpayment or debt;

3 (2) a description of facts and supporting evidence;

4 (3) a representative sample of any documents that form
5 the basis for the overpayment or debt;

6 (4) the extrapolation methodology;

7 (5) the calculation of the overpayment or debt amount;

8 (6) the amount of damages and penalties, if
9 applicable; and

10 (7) a description of administrative and judicial due
11 process remedies, including the provider's right to seek informal
12 resolution, a formal administrative appeal hearing, or both.

13 (b) The executive commissioner shall adopt rules that allow
14 a provider who is the subject of a proposed recoupment of an
15 overpayment or debt to seek informal resolution of the issues
16 identified in the notice provided under Subsection (a).

17 (c) The rules adopted under Subsection (b) must require a
18 provider who seeks informal resolution of the issues identified in
19 the notice provided under Subsection (a) to request an initial
20 informal resolution meeting not later than the 30th day after the
21 date the provider receives the notice. On receipt of a timely
22 request, the office shall schedule the initial informal resolution
23 meeting not later than the 60th day after the date the office
24 receives the request, but the office shall schedule the meeting on a
25 later date, as determined by the office, if requested by the
26 provider. The office shall give notice to the provider of the time
27 and place of the initial informal resolution meeting not later than

1 the 30th day before the date the meeting is to be held.

2 (d) The rules adopted under Subsection (b) must allow a
3 provider to request a second informal resolution meeting not later
4 than the 20th day after the date of the initial informal resolution
5 meeting. On receipt of a timely request, the office shall schedule
6 a second informal resolution meeting not later than the 45th day
7 after the date the office receives the request, but the office shall
8 schedule the meeting on a later date, as determined by the office,
9 if requested by the provider. The office shall give notice to the
10 provider of the time and place of the second informal resolution
11 meeting not later than the 20th day before the date the meeting is
12 to be held. A provider must have an opportunity to provide
13 additional information before the second informal resolution
14 meeting for consideration by the office.

15 (e) Not later than the 60th day after the date of the initial
16 informal resolution meeting or, if a second informal resolution
17 meeting is requested by the provider, after the second informal
18 resolution meeting, or on a later date at the request of a provider,
19 the commission or the office shall provide the provider with
20 written notice of the commission's or office's final determination
21 of whether the commission or office will seek to recoup an
22 overpayment or debt from the provider.

23 (f) If a provider does not request an informal resolution
24 meeting under this section, not later than the 60th day after the
25 date the provider receives the notice under Subsection (a), the
26 commission or the office shall provide the provider with written
27 notice of the commission's or office's final determination of

1 whether the commission or office will seek to recoup an overpayment
2 or debt from the provider.

3 (g) Nothing in this section shall be construed to require a
4 provider to request an informal resolution meeting under this
5 section before requesting an appeal under Section 531.1201 of the
6 commission's or office's final determination to recoup an
7 overpayment or debt from the provider.

8 Sec. 531.1201. APPEAL OF DETERMINATION TO RECOUP
9 OVERPAYMENT OR DEBT. (a) If, after a final determination, the
10 commission or the commission's office of inspector general seeks to
11 recoup from a provider an overpayment or debt arising out of a fraud
12 or abuse investigation in an amount that is less than \$1 million,
13 the provider may appeal the determination not later than the 15th
14 day after the date the provider receives the notice under Section
15 531.120(e) or (f), as applicable, by requesting in writing that the
16 commission or office set an administrative hearing on the
17 determination. On receipt of a timely written request for an
18 administrative hearing from the provider under this section, the
19 commission or the office shall file a docketing request with the
20 State Office of Administrative Hearings or the appeals division of
21 the commission, as requested by the provider, for an administrative
22 hearing on the final determination to recoup the overpayment or
23 debt and any associated damages and penalties.

24 (b) If, after a final determination, the commission or the
25 commission's office of inspector general seeks to recoup an
26 overpayment or debt arising out of a fraud or abuse investigation in
27 an amount of \$1 million or more from a provider, the provider may

1 appeal the determination not later than the 15th day after the date
2 the provider receives the notice under Section 531.120(e) or (f),
3 as applicable, by:

4 (1) requesting in writing that the commission or
5 office file a docketing request with the State Office of
6 Administrative Hearings for an administrative hearing on the final
7 determination to recoup an overpayment or debt and any associated
8 damages and penalties; or

9 (2) filing a petition to appeal the final
10 determination to recoup an overpayment or debt and any associated
11 damages and penalties in a district court in Travis County.

12 (c) If a provider requests that the commission or office set
13 an administrative hearing under Subsection (b)(1), the provider may
14 not appeal any administrative order issued by an administrative law
15 judge relating to the commission's or office's final determination
16 to recoup an overpayment or debt and any associated damages and
17 penalties from the provider in a district court.

18 (d) Unless otherwise determined by the administrative law
19 judge for good cause, at any administrative hearing under this
20 section before the State Office of Administrative Hearings, the
21 state and the provider shall each be responsible for:

22 (1) one-half of the costs charged by the State Office
23 of Administrative Hearings;

24 (2) one-half of the costs for transcribing the
25 hearing;

26 (3) the party's own costs related to the hearing,
27 including the costs associated with preparation for the hearing,

1 discovery, depositions, and subpoenas, service of process and
2 witness expenses, travel expenses, and investigation expenses; and

3 (4) all other costs associated with the hearing that
4 are incurred by the party, including attorney's fees.

5 (e) The executive commissioner and the State Office of
6 Administrative Hearings shall jointly adopt rules that require a
7 provider, before an administrative hearing under this section
8 before the State Office of Administrative Hearings, to advance
9 security for the costs for which the provider is responsible under
10 Subsection (d).

11 Sec. 531.1202. PRESENCE OF NEUTRAL THIRD PARTY AT INFORMAL
12 RESOLUTION MEETINGS. The commission shall employ a person whose
13 salary is paid by the commission and who is independent of the
14 commission's office of inspector general to attend the informal
15 resolution meetings held under Sections 531.102(g)(6) and
16 531.120(c) and (d) as a neutral third-party observer. The person
17 shall report to the executive commissioner on the proceedings and
18 outcome of each informal resolution meeting.

19 SECTION 4. The heading to Section 32.0291, Human Resources
20 Code, is amended to read as follows:

21 Sec. 32.0291. PREPAYMENT REVIEWS AND PAYMENT [~~POSTPAYMENT~~]
22 HOLDS.

23 SECTION 5. Sections 32.0291(b) and (c), Human Resources
24 Code, are amended to read as follows:

25 (b) Subject to Section 531.102, Government Code, and
26 notwithstanding [~~Notwithstanding~~] any other law, the department
27 may impose a payment [~~postpayment~~] hold on [~~payment of~~] future

1 claims submitted by a provider [~~if the department has reliable~~
2 ~~evidence that the provider has committed fraud or wilful~~
3 ~~misrepresentation regarding a claim for reimbursement under the~~
4 ~~medical assistance program. The department must notify the~~
5 ~~provider of the postpayment hold not later than the fifth working~~
6 ~~day after the date the hold is imposed].~~

7 (c) A payment hold authorized by this section is governed by
8 the requirements and procedures specified for a payment hold under
9 Section 531.102, Government Code, including the notice
10 requirements under Subsection (g) of that section. [~~On timely~~
11 ~~written request by a provider subject to a postpayment hold under~~
12 ~~Subsection (b), the department shall file a request with the State~~
13 ~~Office of Administrative Hearings for an expedited administrative~~
14 ~~hearing regarding the hold. The provider must request an expedited~~
15 ~~hearing under this subsection not later than the 10th day after the~~
16 ~~date the provider receives notice from the department under~~
17 ~~Subsection (b). The department shall discontinue the hold unless~~
18 ~~the department makes a prima facie showing at the hearing that the~~
19 ~~evidence relied on by the department in imposing the hold is~~
20 ~~relevant, credible, and material to the issue of fraud or wilful~~
21 ~~misrepresentation.]~~

22 SECTION 6. Section 32.0291(d), Human Resources Code, is
23 repealed.

24 SECTION 7. If before implementing any provision of this Act
25 a state agency determines that a waiver or authorization from a
26 federal agency is necessary for the implementation of that
27 provision, the agency affected by the provision shall request the

C.S.S.B. No. 1803

1 waiver or authorization and may delay implementing that provision
2 until the waiver or authorization is granted.

3 SECTION 8. This Act takes effect September 1, 2013.
