To the Honorable Chair Darby and other Committee Members,

I am a native Texan and proud to be a veteran who served in the Army during Viet Nam. Following my service to our great country, I started a career in law enforcement. I am a former member of the Texas Department of Public Safety. I have always been a gun advocate and a strong believer and supporter of the Second Amendment. My father was a veteran of WWII and Korea, and served in law enforcement as well. I have a long background of gun safety and the appreciation of our freedom and rights.

I am opposed to changing our existing gun laws. The lawful gun owners tend to be just that, lawful. Others causing harm to innocent citizens normally come into possession of firearms by unlawful means, such as theft.

Changing the gun laws will not stop crime.

David Hedgpeth CFS/CDS/ASC, Principal
